## DAY 22

### SUBJECT: YOU DON'T NEED A LOT OF HELP

Contrary to popular belief you don't need a lot of help. You need a lot of wisdom. Sometimes receiving a lot of help is detrimental to your progress. When there are too many cooks in the kitchen it causes confusion.

When there are too many chiefs running the show **DYSFUNCTION INCREASES**. God said He will be your present help. However, He told you to pursue wisdom because it is the most important thing on the earth.

Proverbs 4:7 says, "*Wisdom is the principal thing; therefore get wisdom: and with all thy getting get understanding.*"

I made the mistake thinking that I needed a lot of help while building this business. When in actuality I needed a lot of **WISDOM**. Many people have told me that they thought a team of people helped me build this business.

They were wrong. When I tell people the truth they are in shock.

The truth is, I built this business by myself. I developed the website, wrote all the teachings, setup the payment system, constructed the marketing plan and developed the entire concept. The Holy Spirit gave me infinite wisdom when I couldn't find quality help.

**WISDOM NOTE: WHEN YOU CAN'T FIND  
GOOD HELP ASK GOD FOR INFINITE  
WISDOM!**

I think everyone should have a team to help them build their vision. However, this doesn't always happen. God gave you wisdom when you **CAN'T** find quality help.

He gave you wisdom when you **CAN'T** find people to believe in your vision. He gave you wisdom when people

**REFUSE** to support you. Utilize lady wisdom! She will do more for you than people.

**TAKEAWAY:** Don't let the lack of support from people stop you from moving forward in your dream. When people can't see your vision, lady wisdom will manifest your vision.
