DAY 34

SUBJECT: DON'T NEGLECT YOUR PURPOSE FOR DOING WHAT IS EASY

The enemy uses many methods to steal peoples purpose but this is the most common. The enemy **CONVINCES** them to do what is easy in exchange for them pursuing their purpose. Fortunately, I have not fallen for this trap but I almost did.

I have been tempted to rest in doing what is easy in exchange for doing what is purposeful. I almost stayed at a job that wasn't progressive because the work was easy. I was tempted not to graduate from college because making money was easy. I was tempted **NOT** to walk in God's will because doing my own thing was easier.

I'm so glad I had enough wisdom to see that doing what was easy would hinder me from walking into my purpose. Unfortunately, many people have fallen into this death

trap. They have wasted years off their lives doing what was easy while finding out they cheated themselves in the end.

King Jesus understood this. In the garden of Gethsemane He was faced with the decision to do what was easy versus doing what was purposeful. Thank God He chose what was purposeful. **HUMANITY WAS REDEEMED!**

King Jesus said **NOT** my will but thy will be done. Even though fulfilling His Heavenly Fathers purpose was **HARDER** than doing his own thing He chose to follow His Father's will. By doing this He became our Lord and Savior and now He has all power in His hands. King Jesus would not have gotten this if he chose to do what was easy! He did what was **PURPOSEFUL**.

Luke 22:42 says, "*Father, if thou be willing, remove this cup from me: nevertheless not my will, but thine, be done.*"

TAKEAWAY: It may be tempting to do what is easy and to stay in a situation that is easy to handle but don't let the comfort of easiness snatch away your divine purpose. Achieving divine purpose will always be **HARDER** than doing your own thing. It will also be more rewarding.
