

20 WISDOM WAYS

20 WAYS TO MAINTAIN A GREAT ATTITUDE

BY: FOUNTAIN HENDRICKS

- When you focus on the **POSITIVE** and not the negative you will maintain a great attitude.
- If you surround yourself with people who are **OPTIMISTIC** about their life you will maintain a great attitude.
- If you adhere to the counsel of the **HOLY SPIRIT** daily you will maintain a great attitude. His counsel encourages our spirit.
- When you learn to be **CONTENT** with who you are, where you are and what you have you will maintain a great attitude.
- If you **DON'T** compare yourself to anyone else you will maintain a great attitude. Comparing yourself to other people produces discontentment.

- When you are grateful for what you have you will maintain a great attitude. Gratitude **FEEDS** the soul with nutrients of joy.
- People maintain a great attitude when they make time to do what they **LOVE**.
- People maintain a great attitude when they constantly renew their minds with **NEW** ideas, thoughts and perspectives. Renewing your mind produces inspiration.
- People who maintain a great attitude constantly stay **INSPIRED**.
- People who maintain a great attitude always see the glass as half full. They always see **POSSIBILITIES**.
- People maintain a great attitude because they **AVOID** what is foolish. Foolish people and foolish surroundings disturbs your peace.
- People maintain a great attitude because they **LISTEN** to wise counsel. Wise counsel produces prosperity, protection, wealth and hope.

- People maintain a great attitude because they focus on their **PURPOSE** and not their circumstances. Circumstances are only mere illusions of what is real because circumstances can change at any time.
- People maintain a great attitude when they continue to explore **NEW** experiences. **NEW** experiences opens the mind to new possibilities.
- People maintain a great attitude when they are walking and working in their **PURPOSE**. Doing what you are called to do will produce joy.
- People maintain a great attitude when they do what brings them joy. Doing things that make you **SMILE** will impact your attitude.
- People maintain a great attitude when they are able to see the best in other people. Focusing on people's **POTENTIAL** will give you the patience to handle their flaws.
- People maintain a great attitude when they follow the advice of the **HOLY SPIRIT** instead of the opinions of people.

- People maintain a great attitude when they find ways to stay **ENERGIZED**. Getting adequate mental and physical rest will help you decrease stress.
- People maintain a great attitude because they **AVOID** complaining about what is wrong. Rather than complain about what is wrong they change what is wrong.
