

WISDOM JOURNAL

DAY 41

SUBJECT: STRANGE PLACES

My best opportunities have come from the strangest places. I never would of thought that my greatest places of prosperity would come from jobs that looked distressed. I never would of thought that my best ideas would originate themselves during the darkest times of my life. **SUCCESS USUALLY ARRIVES IN THE STRANGEST PLACES.**

Happiness usually reveals itself in the strangest places. Your purpose will become identified in the strangest places. Remember Joseph? He was falsely accused and thrown in prison. In **PRISON** Joseph met the butler who was his divine connection to the palace. Think about this.

If Joseph **DIDN'T** go to prison he would of missed his destiny. If he didn't go to prison he wouldn't of made it to the palace. God used a **PRISON** to connect Joseph to his

purpose. **GOD USES STRANGE PLACES TO CONNECT YOU TO YOUR DESTINY.**

Genesis 41:9-14 says, "Then the chief officer who served wine to the king said to him, "Now I remember something I promised to do, but forgot about it. There was a time when you were angry with the baker and me, and you put us in **PRISON** in the house of the captain of the guard.

In prison we each had a dream on the same night, and each dream had a different meaning. A young Hebrew man, a servant of the captain of the guard, was in the **PRISON WITH US**. When we told him our dreams, he explained their meaning to us. He told each man the meaning of his dream, and things happened exactly as he said they would:

I was given back my old position, and the baker was hanged. So the king called for Joseph. The guards quickly brought him out of the prison, and he shaved, put on clean clothes, and went before the king."

Sometimes God holds your destiny in the strangest places so you can trust Him and **NOT** your abilities. In the strangest places lies your treasure, purpose and blessing. **DO NOT** discard strange places. Everything that glitters is not gold and everything that is weird is **NOT** wrong.

TAKEAWAY: Your destiny may **NOT** reside in an ideal place. The place of your destiny may look distressed, outdated and worn. However, it may be your place of **PROMINENCE, FULFILLMENT, HAPPINESS, PROTECTION** and **FAVOR**. Don't judge a book by its cover.
