

## Volunteer Adult Judges

### Adult Judges

Our judges are an important piece of the hearing night process. Adult judges hear and preside over the hearings. They have the ability to look over the sanctions handed down by the peer jury and revise where they see fit. The judges also can overrule or sustain objections.

Most of our judges are community attorneys, retired judges, or elected officials. Our volunteer judges have donated over 3,400 hours to South Coast Youth Courts.

We have been very blessed to have the relationships within our communities to attract amazing judges.

If you would like to be added to the list of volunteers willing to serve please e-mail:
