OLD BUSINESS

Joe B went to Area 24 workshop over Zoom. Bits for the fall 2021 conference host were asked for, with District 7 (Ames) being nominated because no one volunteered. District 7 was given \$500 to start the process of getting things started. Replacement of the area secretary's laptop was also motioned; it is at least 10 years old and was approved to purchase one for under \$1000. The 2021 budget was also discussed but tabled till march until suggested changes could be made seeing the treasurer's mother has just passed away and felt it would give them more time to get this done. The March meeting that was to take place in Marshalltown was voted on to be directed down via Zoom. Our own Rick W. has been nominated for delegate at large.

New Business

This year's Tri-State Round up will be live and in person March 5th, 6th, & 7th, mask will be required as well as social distancing and hand sanitizer will be available. Please be announcing at ~~every~~ ^{EVERY} meeting to help spread the word we need support for this event this year more then ever. There are some amazing speakers for across the mid-west. The Fellowship Club will reopen Friday 1-15-2021 for meetings only.
