

District 1 Newsletter for October 2021:

We are getting into the fall and cooler weather is on the way in. Things are looking somewhat back to normal in the area. Meetings are getting well attended. We have lost a few due to Covid but this too shall pass. Reminder that support is needed for the *Many Hands Caring Wednesday 11:30 am meeting* that had started back up at the Hawkeye Club, please pass the word.

District put on a great Workshop, and our speaker was very informative about service work, and what a story about her service work for the area. Thanks to Mary Ann for the lesson plus the work she has done and is doing for our District.

The last Unity Dinners have been well attended so let's keep the fellowship going and spreading the word. I got a lot of information from Mary Ann when she was here and I am sorting through all of it and will be able to share the information from the surrounding areas in Iowa with you all in next month's newsletter.

Sincerely Tim L.
