

District 1 Newsletter July 2022

Hello everyone! Wow! Here it is July already, 7th month which reminds us of the Seventh Step and tradition seven readings for this will mostly relate to them. Reminds me to strengthen my relationship with my higher power because I surely need it. Thanks to those readings and the help of sponsorship I stay on track.

Now let's remind all of you about the upcoming Unity Dinner, Cornhusker Roundup and Labor Day Picnic. All great opportunities to do some sharing with others as well as enjoying the company of other alcoholic's.

This has been a heck of a year. Really enjoy being a part of the inner circle of A.A., it has been a big part of my recovery. Has also let me be a messenger for the group who has let me serve as their representative. For that I am honored. No matter how long I have been a part of I am still learning. As long as I remain teachable I can keep learning.

Well okay let us all keep trudging the road of happy destiny. Reminder keep politics out of the meetings and more about God or Higher Power because I surely mess things up when I take the reins. How about you?

Respectfully
Tim L.
