“Every A.A. wants to make sure of his survival from alcoholism, and his spiritual well-being afterward. This is just as it should be. He also wants to do what he can for the survival and well-being of his fellow alcoholics. Therefore he is bound to have a vital interest in the permanance and well-being of A.A. itself”

*Bill W. wrote of Intergroup Offices, "Though not costly, these agencies are absolutely essential to our continued expansion—to our survival as a Fellowship. Their costs are a collective obligation that rests squarely upon all of us. Our support of services actually amounts to a recognition on our part that A.A. must everywhere function in full strength—and that, under our Tradition of self-support, we are all going to foot the bill."*
