Bill W. wrote of our service entities, "Though not costly, these agencies are absolutely essential to our continued expansion—to our survival as a Fellowship. Their costs are a collective obligation that rests squarely upon all of us. Our support of services actually amounts to a recognition on our part that A.A. must everywhere function in full strength—and that, under our Tradition of self-support, we are all going to foot the bill."

“Why should not each of us tell himself: ‘Yes, we were once a burden on everybody.’ We were ‘takers.’ Now that we are sober, and by the grace of God have become responsible citizens of the world, why shouldn’t we now about-face and become ‘thankful givers’! Yes, it is high time we did.”

What is the Birthday Plan?

In grateful celebration of their sobriety birthdays, many A.A. members contribute one dollar or more for each year of sobriety to any or all of our four service entities; the local Intergroup, District, Area, and General Service Office.

Every A.A. service is designed to help carry the A.A. message to the alcoholic who still suffers. Your Birthday Plan contributions* help make our vital services possible.

"When we meet and defeat the temptation to take large gifts, we are being prudent. But when we are generous with the hat, we give a token that we are grateful for our blessing and evidence that we are eager to share what we have found with all those who still suffer."

Bill W., *Language of the Heart*
