### *Letter from the Grand Knight*

Brother Knights,

I would like to thank those of you that have already submitted your Football Tickets. I am hoping that we will be able to have another gathering for our meeting on Thursday, September 3 at 7 pm in the parking lot of St. Peter. I will gather tickets at the meeting as well as continue to check the mail at St. Peter. Since neither church has a pavilion it will depend on the weather. I will send an email next week confirming the meeting.

I had sent an email regarding the resignation of Herb Sill from the Financial Secretary position. We have had a hard time filling our Officer positions, but I hope that someone will consider filling this vital role for our Council.

I would like to thank all of you that continue to support our Council. I have said many times that this will be a tough year to meet all of our financial needs, and look toward ALL of our Brother Knights for guidance. Please reach out at any time if you have any input or suggestions, or if you know of a Brother Knight that is in need.

I hope that all of you will stay strong and healthy, and enjoy the Labor Day weekend ahead.

## Hooked on Fishing Not on Drugs

Sadly, due to Covid19 the Hooked on Fishing Not on Drugs program is cancelled for the 2020-2021 seasons. If any signs of improvement on regulations regarding social distancing make it possible to resume the program then the principal of St. Peter School will notify Dale Kramer and we will let all you brothers know the plan.

## Financial Secretary Needed Herb Sill Retiring

It is with sadness to announce that Herb Sill will be resigning his position as Financial Secretary of our Council on November 7. He has served his three year term, and is no longer interested in staying in this position.

Therefore we need someone that is interested to fill this position. This position is a (3) three year obligation and you have to pass a background check.

Please let me know **immediately** if you are interested in this position so that we can complete the necessary paperwork, and get started training as soon as possible.

I would like to thank Herb for all that he has accomplished since becoming the Financial Secretary for our Council.

- Removing many members that had owed for years
- Getting the tax filing for our Council back in order
- Always getting out the dues notices in a timely manner
- Starting our Council reports online

There are other requirements for this position, and Herb spent many hours getting all of these issues resolved and back in order.

Thank you Herb!
