A MESSAGE FROM OUR NFAA DIRECTOR

Now that most of us have experienced more snow than we care to move again I hope this newsletter finds everyone enjoying some archery and making plans to attend the many archery events going on within South Dakota. With that being said, I am happy to announce the Yankton will be one of the host sites for the 2023 indoor sectionals on February 25 and 26. Having Yankton as a site for indoor sectionals will save the archers from South Dakota and surrounding area on travel expenses. The SDAA state indoor will be in Yankton on April 1 and 2 with Milbank Valley Archers being the host. We will have election of officers for President, Secretary Treasurer, North-east and Southwest Area Governors. This summer we will be in Yankton for the state field on July 8 and 9 and the state 3D on July 29 and 30. This will be the first time that Yankton has hosted the state 3D and assume Bruce and crew will be working on something to make it memorable for everyone. While on the topic of state events don't forget to get your bids in to host one of the state events. Bids for state indoor were due January 1 for the 2024 state indoor and are due June 1 for the 2024 state field and 3D. If anyone has any questions about submitting a bid, please contact either Kathy or myself. Also don't forget to get your South Dakota archery harvested antelope, whitetail or mule deer measured and submitted to Kathy for the big buck awards. Hope to see all of you this year at one of the many archery events throughout the state.

NFAA State Director,
Tim Withers

APPLICATION

FROM YOUR NFAA DIRECTOR

This year's Indoor Mid-West Sectional Champions are being held right here in SD. Come on out to Yankton and compete with other archers from the Midwest Section on Feb 25th and 26th 2023.

Clubs are reminded that your inspections for your outdoor and 3 D ranges must have a map sent along with the inspection form. These maps don't have to be elaborate and can be hand drawn. Clubhouses should have their 911 address posted in case a non-member has to place a call for help in an emergency.

May all your arrows find their mark, Tim
