Donations can be made by check to *St.
Anthony Haiti Charity* and sent to the parish

PO Box 3, Morris, IN 47033

*All students receive a free lunch through the food program St.
Anthony's is sponsoring. The \$60 (cost to feed one student for
a year) will be used to defray the total cost of the program.

Only 41% of children in Haiti finish primary school (Unicef 2019), this number is closer to 30% in rural areas. The literacy rate is a shocking 61%. The public school system is almost non-existent in rural Haiti, and where it is available it is not free. Many families simply cannot afford to send their children to school. Fr. Reginald, pastor of our sister parish, is asking us to sponsor some of the students at the parish school who could not afford to attend without our help. Please prayerfully consider giving one of these children a chance at a better future.
