7. Neither the Judge nor members of his/her immediate family shall exhibit, or act as agents or handlers of a horse in any class, at a show at which he/she is officiating. Also if TWHA has or Sanctions any event that might last more than one consecutive day, this is considered one show. Therefore a Judge may not exhibit one day and judge the other.

8. The results of any approved show must be completed in their entirety. The results shall be given to the Points Secretary of the TWHA or designated person at the end of said show along with the ORIGINAL JUDGES CARDS SIGNED BY THE JUDGE

RINGMASTER

2. He/She must understand that he/she has been selected to help the judge, NOT ADVISE HIM/HER.
3. He/She shall carefully refrain from discussing, or seeming to discuss, the horses or exhibitors with the judge. Ringmaster shall not take part, or seem to take part, in any of the judging.
4. He/She must be present when an exhibitor has permission to speak with the judge.
5. He/She shall not permit any undue delay of the show progress and shall have the authority to excuse un-sportsmanlike exhibitors from the ring.

SAFETY

1. A youth exhibitor must be able to reach the stirrups at all times during a class with the exception of the "Leadline" class. Exhibitors may not show with feet dangling above stirrups.
2. Any horse and/or rider exhibiting unsafe or unpredictable behavior during a class will be immediately excused from the arena for the safety of themselves and other riders and/or horses without refund of show fees. Show management and/or Judge reserves the right to ascertain what qualifies as "unsafe and unpredictable" behavior.

POINTS & AWARDS

1. TWHA shall provide Year End Awards for all Mandatory classes and for those Optional classes which are held at 50% or more TWHA approved shows. To be eligible for TWHA Year End Awards the exhibitor must be a member in good standing. The horse MUST be registered with the TWHA Awards Secretary on the standard form provided. All horses registered in mid-season must be registered in writing on the proper horse registration form. NO OTHER FORM OF REGISTRATION WILL BE ACCEPTED. A minimum of 50% participation in any given class is required to be eligible for a Year End Award. Participation will be counted toward the horse unless the said class is judged on the rider, in which case participation counts on the rider. The horse or rider (if class is judged on the rider) receiving the greatest number of points in a class will receive Grand Champion Award, with the second place horse or rider receiving a Reserve Champion Award.
2. Showing at a minimum of the TWHA-sanctioned shows will be required to qualify for yearend awards. At the beginning of each show season, the Board of Directors will determine the minimum number of shows needed to qualify for year-end awards, based on the number of sanctioned shows on the year's show calendar. This minimum number of shows may be revised to a lower number at the discretion of the Board should exceptional circumstances arise during the show season.

3. Points shall be awarded in each class as follows:

- 1st Place -5 points
- 2nd Place -4 points
- 3rd Place -3 points
- 4th Place -2 points
- 5th Place -1 point

(changed back to this structure 2017)

4. Points will accumulate for only the TWHHA designated Mandatory and Optional Classes voted on at the beginning of each calendar year and will also accumulate toward the year-end overall high point.

5. Points are awarded to the horse in all classes except Novice Rider, Horsemanship, Showmanship, English Equitation & Western Horsemanship all of which are awarded to the exhibitors.

6. Awards shall be presented as follows:

- 1st Place - Award & Blue Ribbon
- 2nd Place - Red Ribbon
- 3rd Place - Yellow Ribbon
- 4th Place - White Ribbon
- 5th Place - Pink Ribbon

Also, if a promoter chooses not to present a “Ribbon”, an appropriate award would be given in the same color (i.e. cup, koozie). The awards must be specified by promoters and approved by the Board of Directors. This shall be followed regardless of the number of entries in the class. First place awards in Rider/Horse Classes will be trophies and/or plaques.

7. Seventy-five percent (75%) pay back classes shall be as follows:

PERCENTAGE IS AFTER THE 25% HAS BEEN TAKEN FROM TOTAL NUMBER OF ENTRIES

8. At the end of show season Mandatory Classes will be reviewed. A lack of participation can result in the class being removed from the Mandatory Class list and put on the Optional Class list. The Mandatory and Optional Class lists will be reviewed in January of each year and an updated list will be published by March in the Newsletter.

9. Optional Classes are not required for any TWHHA Approved Shows. However, Year End Awards will be given if fifty (50) percent of the TWHHA approved shows offer these classes. A minimum of 50% participation in any optional class is required to be eligible for yearend awards. This is based on the number of times the class was held. (Ex. If the class was held 8 times (50%of the shows), an exhibitor has to enter the class 4 times.)

10. If an Optional Class is not on the printed, mailed-out class list, but added the day of the Horse Show, this class will not receive points toward the Year End Awards.

11. The Show Chairman may hold any class not listed on the Mandatory and Optional Class Lists, but the TWHHA Awards Secretary will not tabulate points on such class.

12. If any Horse or Exhibitor is found not eligible to be in the class in question, the exhibitor/horse will be disqualified for that classes and no points will be awarded. If the exhibitor/horse is awarded a placing then the placing will be removed from the points structure and any one scoring points under that placing will be moved up and points awarded accordingly. All Novice Horses/Riders must be indicated as such on the official TWHHA membership form and filed with the Awards Secretary prior to showing.
13. **In the case of a tie regarding high point winners (High point at an individual show or year-end awards) – the winner will be determined by the following:**
 1. **Greatest number of 1st place ribbons**
 2. **Won over the greatest number of horses**
 3. **Greatest number of classes entered**
14. An Updated Points spreadsheet will be posted to the “Points” page of the website within 14 days of each show. This will be Class placings only, no overall standings will be posted but can be requested from the Points Secretary at any time during the year. The spread sheet will show the number of points that you received in that class at that show. If your points are indicated as a “0”, that shows that you participated in the class but did not score points and you were given credit for that class attendance towards the 50% participation rule for year-end awards. (Rule Change - 2016).

Please contact your Awards/Points Secretary at any time with questions regarding points.

This division is open to all equines. The object of the Working Western Division is to promote the abilities of the all-around versatile working equine whether ridden on the ranch, on the trail or in the ring and where true western tradition is genuinely honored.

GROOMING:

- A) In conformation classes, equines are to be shown in good working halter; rope, braided, nylon or plain leather. No silver will be allowed on halters.
- B) Hair dyes or hoof black, hoof polish and/or oil is not allowed and will result in the equine being disqualified from the class.
- C) Clipping ears, bridle path, muzzle, and legs is left to the discretion of the exhibitor and has no bearing on the equine’s conformation and/or performance.
- D) The equine should be clean and brushed. It is recommended that an equine should be shown as naturally as possible.
- E) Banded or braided manes, braided tails, tie-in tails and/or extensions are not allowed. (Exception: Braided manes will be allowed in the class – Working Western Elements of Reining.

SADDLE/SILVER REQUIREMENTS:

A western saddle is a common type saddle distinguished by a large noticeable fork on which there is some form of horn, a high cantle and large skirt. Saddles and other equipment should be suitable for ranch work. We encourage and promote good working tack. In no circumstance is any amount of silver to have any advantage over good working tack. Exhibitors cannot be disqualified for silver on the saddle or headstall, except when it is very excessive (beyond conchos and small corner plates).

EXHIBITORS ATTIRE:

In all classes, it is mandatory that all exhibitors wear traditional western attire that reflects the true ranch lifestyle. Appropriate western attire includes a long sleeve shirt (in times of heat, a shirt with a 4" sleeve may be worn) with collar (buttons or snaps are preferred), a western hat - **helmets may be worn in place of western hat**, and boots with heels. ARHA's main focus is on the performance and ability of the equine and rider. Clothing with crystals, glitter or sequins beyond a small amount is not permitted.

Working Western Pleasure with Pattern

Each horse will work individually, performing a pattern with both required and optional maneuvers, and scored on the basis of 0 to 100, with 70 denoting an average performance. Working Western Pleasure with Pattern can be found in the back of this book. Patterns are from the AQHA Ranch Horse Pleasure patterns.

There will be no time limit on the pattern. Posting at the extended trot and/or touching or holding the saddle horn is acceptable. The maneuvers may be arranged in various combinations with final approval by the judge.

A. Required maneuvers:

Walk, trot, and lope both directions: and the extended trot and extended lope at least one direction; as well as stops and back.

B. Optional Maneuvers:

Three optional maneuvers may include a side pass, turns of 360 degrees or more, change of lead (simple or flying), walk, trot, or lope over a pole(s); or some reasonable combination of maneuvers that would be reasonable for a ranch horse to perform.

Penalties include: too slow/per gait, over-bridled, out of frame, break of gait, split log at lope, wrong lead, draped reins, blatant disobedience

TACK

Horse are to be shown in a western saddle and bridle. Tack should be suitable for ranch work. Excessive silver is strongly discouraged. Under no circumstances will silver have an advantage over good working tack.

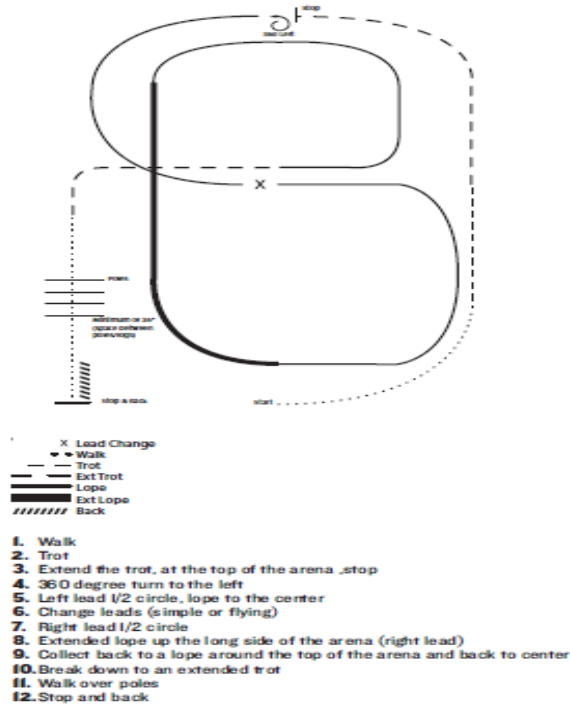

Only junior horses five-years old and younger may be shown in a snaffle or hackamore. Senior horses six years and over will be shown in a shank bit. References to bosal means the use of a flexible, braided rawhide or leather, or rope bolas, the core of which may be either rawhide or flexible cable. Absolutely no rigid material will be permitted under the jaws, regardless of how padded or covered.

ATTIRE
