Letter of Recommendation for Randy and Elizabeth Davenport of RED Life Ministries

I am pleased to have the opportunity to write a letter of recommendation for Randy and Elizabeth Davenport. The Davenports have ministered at the Columbia CI main unit chapel for a couple of years. Their message was always relevant to the issues the inmates face in prison as well as encouraging a lifestyle without criminal activity. I greatly appreciated their understanding of the prison environment and constraints imposed by the need for security and orderly operation of the institution. Regardless of the inconveniences they may have had to face they maintained positive and cooperative attitudes.

Randy and Elizabeth Davenport exhibit high standards of integrity and are a good example to the inmates. I look forward to having them return to Columbia CI main unit again and believe they are qualified to minister in a diversity prison environments and correctional institutions.

Sincerely,

Chaplain R.A. Stroupe
