DOGGY DOO'S & DON'TS

It should be common sense but.....

- | | |
|--------------|--|
| DOO | Walk your dog on a leash |
| DOO | Carry doo doo bags with you |
| DOO | Clean up after your dog |
| DON'T | Put doo doo in the storm drain |
| DON'T | Dispose of doo doo in your neighbors garbage |

The board will be creating a new neighbor directory containing names, addresses, and phone numbers. Due out Winter 2020.

Thank you for your participation!

Why Can't I Park on the Street Overnight?

Because our neighborhood has no sidewalks, parking on the street creates a number of issues. Children walking to the bus, people walking their dogs, or exercising need to share the street with vehicles thus causing a safety concern. Public services such as mail, village maintenance, garbage trucks, snow plows, and emergency vehicles need access to the entire street.

Parking on the street should be temporary.

WHY DO WE PAY DUES?

- Maintaining common areas
- Lighting monuments
- Landscaping entranceways
- Insurance
- Neighborhood directories
- Advertising garage sales
- Parties

Please join your neighbors!

Make a **\$25** check payable to
