

MISSOURI FAMILY RODEO ASSOCIATION

Where family and Rodeo come together!

Hey everyone,

Who's ready to RODEO? So are we, until the shutdown is over, there's not much we can do. We are watching closely and waiting patiently (or best we can) for the time when we can rodeo. Please keep an eye on our Facebook and website for any additional changes. As of now, we don't know when we will get to have a rodeo, so the schedule is somewhat in the process of being reworked, there are plans of trying to reschedule the rodeos that we have had to cancel, just unsure of the details of that right now.

As for our next Board of Directors meeting we are unsure of a date as of now, but as soon as we know, we will make it known. We invite all of our members to join us and get first hand of all the new and exciting things that are coming and things that are being done.
