ARCHITECTURAL CONTROL

An updated Architectural Control request form has been posted on our website at www.crawfordoaks.com. Please be sure to submit the form AND get approval BEFORE any work has begun. Work may NOT begin unless, and until, proper approval is given. This includes, but is not limited to, adding a fence, roof shingle replacement, addition of a storm or screen door or painting.

The Architectural and Design Guidelines provide homeowners with suggestions and restrictions that will help maintain the aesthetics and protect the property values in Crawford Oaks. The intent of the guidelines is to assure that the homes in Crawford Oaks are maintained to the highest standard and continue to complement each other with compatible styling.

HOA Communication

Communication is important. Did you know we have a website at crawfordoaks.com?

Find us on Facebook (link is on the website)

We also use email as a means of communication. We'd like to ensure that we have current emails for everyone. Please send an email to bill@crawfordoaks.com with your name, street address and email addresses that you'd like added to the distribution list.

We will use all of these tools to provide communication to the community.

Mailbox post style and numbers must remain consistent in look throughout the community.

Numbers can be obtained at Georgia Mountain Graphics. The contact there is Beth.

- Please make plans to pressure wash the siding of your home to remove any mold, dirt or mildew, also if your shutters or doors are discolored or faded in any way, please make plans to paint the approved color. This helps demonstrate a neat appearance and improves curb appeal.
- Now is a good time to freshen pine straw or mulch and plantings in flower beds
- Please remove oil stains from your driveway
- Pet waste stations are located throughout the community – PLEASE USE the baggies provided to clean up after, and dispose of your pets waste. Cleaning up after your pets is courteous so that others aren't exposed to stepping in the waste. Animal waste can create a health hazard to others, so please do your part.
- Recycle bins may be placed at the curb after 4pm on Monday for Tuesday pickup. Bins are to be removed from the curb by the end of the day on Tuesday.
- Trash cans may be placed at the curb after 4pm on Tuesday for Wednesday pickup. Cans are to be removed from the curb by the end of the day on Wednesday. Trash cans should be stored out of public view, except on trash day.
- Residents are asked not to park on the streets. The number of cars at any given residence should not exceed the number of parking spaces on their own parking pad. If you have guests and do not have room for them to park at your residence, please notify the HOA to obtain permission for them to park in the parking area next to the pool. Email Roger at roger@crawfordoaks.com. Cars parked on the street create a safety hazard. Please do not block another person's access to their driveway/property. If this occurs, the police may be notified, cars may be towed, and residents may be fined.
- Pets must be on a leash when outside your home or fenced yard. Both the City and County have leash ordinances.

Please take note of a few of the more notable reminders below.

- **All trash cans are to be stored out of public view at all times other than trash days. Storing trash cans on the side of your home is not out of public view. Trash cans are NOT to be left on the curb after trash day.**
- **DO NOT place items such as furniture on the curb UNLESS you have made arrangements with the trash company to pick them up. Items for trash pickup follow the same rules as trash cans to and from the street.**
- Several homes have siding that are in need of being pressure washed
- Homeowners are responsible for cleaning out all flower and tree beds ridding them of overgrown grass and weeds regularly to avoid letters. Also, please apply fresh pine straw or mulch to help weeds not take over and for a neater appearance.
- If your balance is 2 months or over, delinquent, your account will be sent to the collection agency. Please keep your accounts paid in full each month. Due the 1st late by the 10th to avoid late fees.

Lawn Maintenance

Lawn service days are Monday and Tuesday.

August Gardening Tips

- Control snakes by getting rid of their habitat. Move log piles, leaf piles and rock piles away from your house.
- Prune faded blooms from Crape Myrtles and you may get another set of blooms in the fall!
- Prevent ants from coming in your house by spreading insecticide granules 24" band around the house. Use ant bait traps near entrance doors.
- If you have Bermuda grass infiltrating your Fescue lawn, August is the month to spray it with glyphosate (typically twice) and then seed new Fescue seed in September.
- Cut back annual flowers in half and fertilize with a liquid flower fertilizer. This will stimulate fresh growth and more flowers.
- If you have Ivy starting to grow up into your trees, pull off trunks before it gets out of control and kills the tree.
- Cut back Daylily foliage that is getting tired, this will produce fresh foliage for the rest of the summer and fall.

From the HOA Board.....

The landscapers are in our community each week during the growing seasons to mow, edge (rotating between the front and back every other week) and blow. Weed control will be performed at the appropriate time of the year.

If you have a complaint, please contact our Property Manager, Memrie Creswell and do not take a confrontational approach with the landscaping crew. The landscaping crew is working hard to provide a service and deserve to be treated with respect by everyone. If you have questions about the lawn maintenance, please direct those to Memrie and not the maintenance crew. They have a lot of work to do and need all the time possible to complete the work.

Pet Feces in yards

The lawn maintenance crews WILL NOT service yards that are found to have feces in them. It is each homeowner's responsibility to clean up after their pets, whether in their own yard or when out walking.

Doggie stations are placed throughout the neighborhood when walking your dogs.....please use them and clean up after your pet. Please be respectful of others and ensure that you clean up after your pet.

Our HOA is financially sound. As of July 29th.....

- Total Assets: \$ 269,933.61
- Operating Account: \$ 87,821.97
- Reserve Account: \$ 112,112.54
- Certificate of Deposit: \$70,000 (Board decision to purchase a 13 month CD at a return rate of 2.52%)

HOA monthly fees are due for receipt by the first day of the month. If you find yourself in a situation where you are unable to pay your HOA dues, or are behind on your dues, a payment plan may be considered. To discuss a payment plan, please contact Memrie Creswell at CMA.

Each homeowners annual dues total \$660. Below is a graphical display of how your dues are used to budget for our expenses.

Recreation expenses are those related to the amenities. Safety expenses are those related to the security system. Utility expenses are those related to the electricity, water/sewer and phone for the common areas and amenities.

Administrative	\$173	26%
Grounds & Landscaping	\$321	49%
Recreation	\$41	6%
Repairs & Maintenance	\$87	13%
Safety Equipment	\$7	1%
Utilities	\$32	5%
