

## Heard at recent MDNC meetings:

"This would be a good time to request a new garbage cart as there is a possibility homeowners will be billed for new ones in the future."

"The Harley Davidson Reunion offers a real opportunity for area residents to both give a warm welcome to visitors and to also make some extra money by renting out rooms."

"The storage of any kind of flammable liquid, gasoline, gasoline left in nearly empty tanks of snowblowers, open cans of vinyl tile adhesive, etc. in your basement will probably result in a fire when the flame of the water heater or the furnace is ignited. Fumes burn."

"Congratulations to Highland Park Pies and Cafe on their first anniversary, June 25th!"

"2002 Minor Home Repair Rebate money is still available at West End Development Corp.!"
