We have received a \$2500 grant for the smoke detector project for Neighbor Works Week from National Neighborhood Reinvestment Corporation. Watch for more details and learn more at the Annual Meeting.

A heartfelt Thank you to all those who come to the Annual Meeting and the monthly meetings at the Blaha's, our gracious hosts that provide cookies and coffee.

Without the support of all the volunteers involved we wouldn't be able to take pride in our neighborhood and reap the benefits of improved property values and safety.

Our goal is to get more of you wonderful neighbors involved, and to take advantage of the benefits our Martin Drive Neighborhood has to offer.

With the continued strong commitment by all of us our community will continue to bloom
