FYI Dan Sylvester of 4121 W. Martin Drive received an honorable mention in the 2002 Mayor's Landscape awards for the community garden on the side of the building where he lives. Take a stroll and enjoy it too as his many perennials are popping their heads out of the ground.

Perennial Plants Needed for Annual Meeting

We will exchange perennial plants at the annual meeting. Please bring any plants you have available to share with neighbors. If possible, label the plants with the plant name and how to grow the plant.

The neighborhood is looking good and this will help others to beautify their yards too.

Pitbull & Rottweiler Ordinance

While these dogs can be friendly and good pets they can also be a very strong aggressive dog. Milwaukee has a special ordinance pertaining to these two breeds of dogs. Copies of the ordinance are available through the Department of City Development, 286-5771.

You may be jeopardizing your homeowner's insurance policy by owning one of these dogs.

Highlights of the ordinance include:

- Animals must be leashed.
- Owner must have a fence or kennel.
- Owner must attend a dog behavior class once each year.
- Any person who walks a pitbull or rottweiler must be at least 16 years old and able to control the animal.
