

The vision of ACTS HOPE Ministry is to cultivate hope and foster spiritual enlightenment through health, peace and empathy. Sanctioned by ACTS Missions of San Antonio, we are dedicated to spreading the Gospel of Jesus Christ by facilitating Weekend ACTS Retreats for both men and women who may not otherwise be able to attend a mainstream Retreat due to special health concerns and/or for any other personal concern.

ACTS HOPE Retreats are presented by men and women who have previously attended ACTS Retreats, and consist of four days and three nights. A Spiritual Director/Companion helps guide all activities which focus on Adoration, Community, Theology, and Service (ACTS). Our goals at ACTS HOPE are to renew spirituality, strengthen faith, and create lasting and supporting friendships with fellow members of the community.
