Student Expectations:

Students can expect that this teacher will:

1. Respect and treat all students with care.
2. Present materials in a variety of ways so students can understand it.
3. Provide extra help and other sources for support.
4. Call home when necessary.

Teacher Expectations:

Teacher can expect that all students will:

1. Respect their teacher, their peers and themselves.
2. Do homework when assigned. Doing homework supports what is learned in the class. There is a positive correlation between doing homework and being successful in class. If you are absent please contact me, the Google Classroom or another student in class to find out what you missed. **YOU ARE RESPONSIBLE FOR MISSED ASSIGNMENTS.**
3. Attend class every day and arrive at class on time.
4. Be responsible for your actions.
5. Be a positive collaborator.
