### **PROJECT LIST:**

#### FEATURE FILM / CLOSEST TO THE HOLE PRODUCTIONS

"*The Archangel*." [http://www.markanthonydibello.com/the\\_archangel](http://www.markanthonydibello.com/the_archangel)

Logline: The meaning of life for Long Island, millionaire wanna-be Michael Angelo Roman is money. Until, in a divine dream, the Archangel commands his namesake *actually* save a life—Michael's only hope for saving his own.

The story describes the life and death nature of the Archangel Michael and argues abortion, the death penalty and euthanasia. It also cleverly tells the story of **Jesus Christ** and The Stations of the Cross.

Michael's best friend is conniving lawyer Lincoln Peters, played by **Mark Wahlberg**, who represents a "Son of Charles" disciple against the death penalty.

Note: We believe you could also get **Martin Scorsese** or **Mel Gibson** interested.

#### TELEVISION

A prequel series to "**Entourage**" named "*Party Boy(s)*."

#### UNSCRIPTED / UNREALISTIC IDEAS

Based on your appearance in the movie, "**The Gambler**": The unscripted reality shows: "*The Gambler*" and "*The Gambler - Game Show Edition*."
