“I AM GOD.”

Exodus 3:13-14

¹³Then Moses said to God, “Indeed, when I come to the children of Israel and say to them, ‘The God of your fathers has sent me to you,’ and they say to me, ‘What is His name?’ what shall I say to them?”

¹⁴And God said to Moses, “I AM WHO I AM.” And He said, “Thus you shall say to the children of Israel, ‘I AM has sent me to you.’”

INTRODUCTION

**“I AM GOD...
MARK HIS WORDS...”**

Mark my words...

“I am not God.” God is God. I am The Writer.

I am not The Son of God. The Son of God is Jesus Christ. Jesus Christ is God. I am not Jesus Christ. I am The Writer, and I am a son of God—“I am not God.”

*God is the Holy Spirit. I am The Writer. I am a spiritual man. I am not the Holy Spirit—
“I am not God.”*

...I BELIEVE THERE ARE MANY TRUTHFUL AND KNOWLEDGEABLE PREACHERS AND TEACHERS, MINISTERS AND MINISTRIES ON EARTH TODAY; HOWEVER, LIKE ALL HUMAN BEINGS, NONE IS PERFECT—NONE KNOWS THE ABSOLUTE PERFECT TRUTH OF WHO I AM, AND NO ONE ON EARTH EVER WILL. NEVERTHELESS, WITH SO MANY DISAGREEMENTS AS TO MY NATURE, THERE IS AN IMMEASURABLE AMOUNT OF DECEIT AND UNTRUTHFULNESS BEING TAUGHT AND TALKED ABOUT ME. KEEP IN MIND, TRUTH IS BASED SOLELY ON WHO I AM AND WHAT I DO. THEREFORE, I BELIEVE IT IS THE APPOINTED TIME, THROUGH THIS ANOINTED MAN, THAT I INSTRUCT AND INFORM YOU ON THE TRUTH AND GREATER YOUR KNOWLEDGE OF WHO I AM.

WHEREBY THE WRITER OF *'I AM GOD'* UNDERSTANDS MY NATURE, KNOWS THE TRUTH, AND HAS THE KNOWLEDGE OF WHO I AM; HIS IMPERFECTNESS COMES NOT FROM THE WORDS HE IS TO WRITE FOR ME, BUT FROM HIS DISOBEDIENCE AND SINFUL PAST AND HIS IMPERFECTIONS AS A HUMAN BEING IN THE WORLD. THE HOLY SPIRIT-INSPIRED AND SPIRIT-FILLED WORDS OF GOD, AND MY THOUGHTS, ARE OF ANOTHER WORLD—MY WORLD—THE SPIRIT WORLD.

THE WRITER—*Why Me?*

†

**“I AM GOD...
I ONLY KNOW.”**

Mark my words...

Why me? I asked, when it came to my writing “I AM GOD.”

In other words...

The answers I received were these:

- *God created my life for this purpose.*
- *God saved my life for this purpose.*
- *God needed someone.*
- *I was chosen.*
- *I asked God.*
- *I listen to God.*
- *God only knows.*

I AM GOD... Autobiography—In the Beginning — (John 1:1)

**“I AM GOD...
MANKIND WAS THE LIFE THAT
JESUS CHRIST GAVE LIFE TO.”**

John 1:1

The Eternal Word

¹In the beginning was the Word, and the Word was with God, and the Word was God. ²He was in the beginning with God. ³All things were made through Him, and without Him nothing was made that was made. ⁴In Him was life, and the life was the light of men. ⁵And the light shines in the darkness, and the darkness did not comprehend it.

¹In the beginning was the Word...*God spoke Creation into existence, and for the first time in the History of Creation; these are the first words of God.*

²He was in the beginning with God....*The first man was in the mind of God from the beginning existence of God. So too, was God in the person of Jesus Christ.*

³All things were made through Him, and without Him nothing was made that was made....*All things were made through Jesus. If God the Creator made all things—and Jesus Christ is God—then Jesus Christ, the Creator, made all things.*

⁴In Him was life, and the life was the light of men....*Jesus created life. He created life as a state-of-being or a way of existing. And the life He created that was “in His image” was mankind. Mankind was the life that Jesus Christ gave life to.*

⁵And the light shines in the darkness, and the darkness did not comprehend it....*Jesus Christ’s holiness and life is the light for which the darkness of sin and death is the opposite of and in opposition thereof.*

I AM GOD... Autobiography—In the Middle — (John 3:16-17)

**“I AM GOD...
I SO LOVED THE WORLD
THAT I GAVE MY ONLY BEGOTTEN SON...”**

John 3:16-17

¹⁶For God so loved the world that He gave His only begotten Son, that whoever believes in Him should not perish but have everlasting life.

¹⁷For God did not send His Son into the world to condemn the world, but that the world through Him might be saved.

Mark my words...

For God—*God is the Creator. He created life.*

...so loved—*The Bible says God is love. And since God created life, God loves life.*

...the world—*The world includes every rock, plant and animal; in fact, all of creation. It also means every human being; good or evil, and those who believe in God and those who do not believe in God.*

...that He gave—*God gave mankind life. He gave mankind a physical presence in addition to man's spiritual being. He gave mankind a place to exist beyond the Spirit World and Heaven. Furthermore, when God gave Adam dominion over the plants and animals, and every living thing; God gave Adam the power over the life and death of creation.*

And at The Creation, what could Adam give God in return? The first man, [and in a way, God's first son], Adam, basically did not give God anything in return at the Creation, except to give God someone to love. And so being, all this first created human being could give God, His Creator and Father, was his own life. The truth of the matter is: the most meaningful and memorable thing Adam gave God was sin and death. Adam sinned against God and brought death upon him and all of God's creation. Therefore, God now had to re-create creation and

make man sin-free so in the end, man could be of the same spirit as God the creator. God is a giver, and He is also a forgiver.

...His only begotten Son—*God had a son in Adam, and now God gave His Son, Jesus Christ to live as Adam first did holy and perfect. And Jesus, as the Son, was able to withstand the satanic forces Adam disobediently fell into when tempted. Jesus would obey God and not fall into temptation and sin. Also, Jesus is God. Truth be told, because only God could defeat Satan, God had to become a man to save man. If God was to re-create another son like Adam, that man would have been powerless over the devil and death would still rule and reign in the lives of mankind.*

...that whoever believes in Him—*There are two types of people in the world: Those who believe the first words you have just read, and those who do not. The Bible says: **'In the beginning was the Word, and the Word was with God, and the Word was God (John 1:1).** Truth be told, the words ¹⁶**For God so loved the world that He gave His only begotten Son...**are the actual and first words God is speaking of. And continuing, basically, according to God; the only two types of people in the world are those who believe Jesus Christ is the Son of God, and those who do not.*

...should not perish but have everlasting life—*God created life. God did not create death. God is eternal and everlasting. He created life to be eternal and everlasting. God created life because He loves life, and God wants nothing more and nothing less from life, than for that life, the life He created [in both created beings, and the nature and existence of life as a state of being] to be with Him, and again, a part of Him from The Beginning until The End.*

¹⁷**For God did not send His Son into the world to condemn the world, but that the world through Him might be saved....***God did not send Jesus into a world of both holiness and sin; of both friends and enemies; and of both life and death—so that the death of Jesus would not have meaning or work in saving mankind. God did not create Hell and eternal condemnation so that the same creation He loves would go there and be apart from Him to the eternal end. God said He is “long-suffering and wants for none to perish.” That is why He waits so long and does not allow Satan to take more lives than he already has. But only through Jesus, and the mankind who believes and follows Jesus, can Jesus and man serve to save the lost bodies and spirits who need saving.*

I AM GOD... Autobiography—In the End — (John 15:12-14)

**“I AM GOD...
IN THE END.”**

John 15:12-14

¹²This is My commandment, that you love one another as I have loved you. ¹³Greater love has no one than this, than to lay down one’s life for his friends. ¹⁴You are My friends if you do whatever I command you.

¹²This is My commandment, that you love one another as I have loved you.—*God’s Commandment is to love. He also gave a Commandment that is inbred in the conscience and heart of every man: “thou shalt not kill.” Jesus Christ, God; loved man—He never asked or commanded man to kill one another. He created life and would be a two-way, double-minded, hypocritical, untruthful, nonsensical and hateful Man if He created a life, He loves only to see it killed. Jesus Christ came to earth as God; to teach man that there are two ways of being: man may be holy or sinful, good or evil, loving or hateful, dead or alive.*

¹³Greater love has no one than this, than to lay down one’s life for his friends.—*Jesus laid down His life for mankind because mankind is sinful and heading for death. If Jesus did not die for the sins of mankind, no man could ever make it to Heaven and be with God again. Basically, Jesus died for those sinful, murderous enemies of God: man. From Adam at the beginning, to you and me in the end; Jesus would rather die and see man go to Heaven—than for Jesus, Himself, to live and man go to Hell.*

¹⁴You are My friends if you do whatever I command you.—*One of Jesus’ last commands, his final words, were “Forgive them Father...” When you kill another man for his sin [or yours]—when did or do you forgive him? How did or do you forgive him? Truth be told you did not truly forgive him—it is impossible, according to God, to kill another man and offer him forgiveness; impossible. Therefore, you are not a friend of Jesus if you do not keep this One Commandment; the One He called: “My Commandment.”*

In other words...

The life of God is simple.

God created man. God loves man. God loves man's life. A Creation that is loved, when created, is given a choice to obey and follow or disobey and not follow its Creator. Adam, the first man, disobeyed God and brought on all of creation, including himself and all his descendants; every man, woman and child ever born: sin and death.

On one hand, just as God created all that is alive and good—on the other hand; sinful Satan, the disobedient, deceitful devil is responsible for everything that is evil and deadly. And all of mankind has a choice to live with God or die with the devil. And God knows that there will be two-kinds of men: those who believe in Him and those who do not. And God also knows, that apart from His love and forgiveness of man's sin, that death would come on all men, and all of mankind would be eternally separated and have no life with God.

God then sent His Son and came to earth as a man. Like the man He created, God is body and God is Spirit. God is the persons of God the Father, God the Son and God the Holy Spirit—and God knows that there are two kinds of people: those who believe this and those who do not.

Now, God has given a choice to those who believe in Him in the person of Jesus Christ. And that choice is to love, forgive, and save the lives of the world of people who do not believe. Because, just as Jesus did on the cross; He chose to die for the sins and evil in man, rather than to save His own life. See, a Christian disciple or one who follows Jesus, has the calling and responsibility to do just as Jesus did. God knows that anyone who does not believe in Him is going to die and go to Hell. And only Jesus, and His disciples, and friends can serve to save these lost unbelievers from losing out on the eternal love of God and eternal life with Him in Heaven.

Therefore, when God commands man to forgive and love one another; it is done to save their lives. This means the sinful, evil people who do not believe God or are His enemies; these people are also a Christian's "enemies." However, God commands man to "love their enemies." This is because without love and the forgiveness that follows—these people will never come to know Jesus and will die apart from God, Jesus Christ, and the Holy Spirit for all of eternity. These "enemies" will go to Hell. Truth be told, someone that kills anything or anyone—not only breaks a command, and commits a sin, they will have to answer to God for that unholy sin at The Judgment. In addition, the killer is determining the eternal fate of whatever or whomever they kill at the time they are murdered. From a truly spiritual perspective or viewpoint, man might as well have only two choices: To tell people about the life-saving Jesus; or to be a life-taker and kill one another.

The truth of the matter is: “The best of both worlds” for God, the best of “the evil and the good”; is that a true Christian do everything in their power, from teaching to dying, in order to save the life of the opposition or the lost; because God knows this way both persons will go to be with God in Heaven. Basically, if Christian’s kill non-Christians: no one wins. Sin has gone against sinner and killer against killing; in which case only evil and death will win. This is why Jesus Christ died for man’s sins, because God knew it was a “win-win” situation.

NUMBERS—10 Spiritual Secret Truths about Life [and love] in the USA and the World

Mark my words...

10 SPIRITUAL SECRET TRUTHS ABOUT LIFE [AND LOVE] IN THE USA AND THE WORLD

GOVERNMENT: *The 10 Commandments reign and rule superior to a government’s constitution and the US Constitution is not, necessarily, of God. However, if God decreed churches should, will, and can exist on a 10% tithe; then a government should be able to exist and efficiently operate on an economic 10% tax; and in addition, and although, the First and Second Amendments of the US Constitution allow for “Freedom of speech and of religion...” and “...the right to keep and bear arms...”; mankind has witnessed ungodly and unnecessary destruction and death from weapons of war; and unholy and unspeakable amounts from “a war of words.”*

RACISM: *African Americans are more “racist” than Caucasian, Asian, or Hispanic Americans. In fact, every ungodly, or innocent, person or race is or has captured, or been enslaved, in one way or another; yet, few speak about the criminal or uncivilized cultures who choose to be sinful and criminal; yet, play the “blame game” and refuse to take responsibility to identify their own sinful nature since: “we are all sinners and fall short of the glory of God.”*

LAW ENFORCEMENT: *90% of police and law enforcement are ungodly, sinful, and criminal; although, many people, politicians and press are encouraged and respect the belief there are only a few “bad apples.” Understandably, the job of policing is militaristic and may involve “race analytics”; but, to “protect and serve” means to work at a “calling” and not a “career,” with honor and valor and “be willing to lay down one’s life without ever having taken a life.”*

ECONOMY: *In a country, culture and capitalistic society which values money above God, time, and life; the value and pricelessness of every person is their spiritual, mental, biological, and physical self-worth and their goodness and service to The Lord God and to each other.* Granted, it is the instinctual make-up and constitution of created beings to empower themselves over their Creator, just as the angel, Satan, did when he was created; but females and feminists seeking to empower themselves over the males created before them; are not created “equal” and financial plans like “equal pay for women,” when, culturally, men support women; only means it’s a matter of time before females own and enslave males and the godly order of creation.

SEXUAL HARRASSMENT: *In movements like “Me too”; why is no one calling out the women who dress, act and prostitute themselves and got or get jobs, gigs, and opportunities because they did teasingly, tantalizingly, temptingly sexually offer or sell themselves? Although, males and men are also ungodly sinners, adulterers and criminals; “the love of money is the root of all evil,” but who or what “Agent of Satan” is at the root of the price paid and the cost of women and men selling and buying their bodies, hearts and souls to one another?*

HEALTHCARE: *Most every human-being has once, or still; partakes in the ungodliest, unhealthiest, and unintended means of “survival” which is actually the number one biological cause of death, ever; and that is the murderous slaughter and cannibalism of the Animal Kingdom for “meat” or “food.” “We, humans, animals ourselves, don’t need to eat other animals to survive and we won’t ‘die’ if we don’t eat them”; and every illness, disease or plague is divine discipline and justice for the destruction and death of every created being; abuse and misuse of plants or drugs; and the chronic consumption of alcohol and [evil] spirits.*

ABORTION: *A godly pregnancy begins once The Lord puts the thought of having a child on the mind of married parents. An abortion occurs anytime, thereafter, the parents choose or make choices leading to the baby being not being born; and a man and a woman, with the power to be fruitful and multiply, which, in a way, The Creator, Himself, does not possess; should have the right to choose; however, they need to choose life and be “Pro Choose Life”; and if any pregnancy is unwanted, in any way; then “opt for adoption.”*

LGBTQ: *A person is considered “courageous” for “coming-out”; however, it takes godliness for males to grow to become men, and females to become women; and for the opposite sexes to love, marry and fruitfully multiply. The Creator never designed a rainbow of colors and promise to “never flood the planet to extinction” to be pridefully used by those who can alter their spiritual possessions, choices, genes or environments to become the men and women The Lord God designed and created them to be.*

ENVIRONMENT: *“Climate control” or “global warming” was inevitable and evolutionary once human beings began the destructive process of burning our own planet. Since the dawn of time, when God said: “Let there be light” there was a flaming, fiery, energetic and sunny star for mankind to power a planet whereon the Animal Kingdom and dinosaurs existed for millions of years, before us [man], without any of them, ever, making or building a fire.*

RELIGION: *The Creator, The Lord God, is The God of Love and Life; and in the United States of America religious persecution exists. It exists, not solely because the founders constituted the US a “Christian” nation; but because of the diversity of religious beliefs; whereby, not necessarily because of the inherent belief systems and names of the religions; but because of the deceptiveness and destruction of the devil and sinfulness when conservative “Christians” are ungodly; Anti-Christian Jews crucify; angry Muslims terrorize; and liberal, atheistic humanists; and every world religion which is worshipped in the US wars against one another and every creation and citizen is at evil enmity against The God of Love, Life, Joy and Peace; whom we are all to glorify and worship.*

CHAPTER: God
VERSION: Animal Evolution

†

“I AM GOD...”

Mark my words...

FYI: God the Creator made the universe, the angels, and the Animal Kingdom all before He made man [the animal]; and as I recently noted: Man did NOT evolve from animals, humankind did, however, evolve from the mind of God after He created the Animal Kingdom [and chimps, who most resemble humans, were likely the last animal God created before man]. Keep in mind, the greatest development for mankind was the evolution of our human mind and our intelligence. Think about it: The Lord put such power into the human mind; while our minds are superior; our bodies are inferior to those of the animals. Man's senses are inferior; we can't see, hear, smell, feel, or taste like they can; nor can we run, jump or have the strength they do.

My last words...

In the end, the smartest thing man can do is love and revere The Lord and His entire miraculous and amazing creation.

CHAPTER: God

VERSION: Animal Kingdom Salvation

†

“I AM GOD...”

Mark my words...

When humankind rescues someone [notice I used the applicable word: someone] in the Animal Kingdom; most of the time, they [the human]; must think: “The animal doesn’t know what happened. They [the animal], can’t knowingly appreciate who did this for them.”

In other words...

However, other humans, most likely will say, “I know what I did for that animal” and derive pleasure and give themselves platitudes.

My last words...

However, another human, I pray, has the wisdom to know: “When you rescue or save one in the Animal Kingdom, an animal creation; The One who created them [the animal], He knows, and He is pleased. The Creator: who gave humankind dominion and lordship over the Animal Kingdom; The King of Kings, The Lord of Lords, He gives thanks.

In the end, God is gratified, and Good God is grateful for you [the animal] and for you [the human].

God bless you.

CHAPTER: God

VERSION: Be Fruitful and Multiply

“I AM GOD...”

Mark my words...

When The Lord told mankind to “Be fruitful and multiply”; He did so as a Commandment, in a sense, while it is not one of The Ten Commandments; because, truth be told, this is a power The Lord, Himself, doesn’t possess. He may have created the 1st beings: the angels, and then other re-creations after extinctions or near-extinctions, up until and including Adam, and then, if you believe, the virgin birth of Jesus Christ, the Son of God.

In truth, it is the virgin birth, which is the sole miracle which could possibly introduce Jesus, the Son of Man, to mankind as the only son of God. Truth be told, even the resurrection of Jesus, is a miracle which occurred to others in the Holy Bible, including Jesus’ friend, Lazarus, who rose from the dead. However, the virgin birth, were it true, indeed, was the only possible means by which the Son of God could enter this existence. Yet, again, this shows the power and responsibly bequeathed to humans to replicate and reproduce.

In other words...

Keep in mind, however, when The Creator commands: “Be fruitful and multiply.” Think about the Animal Kingdom and how naturally and instinctively they reproduce, procreate, and breed. I am certain, to some degree, some of the most advanced species may have a thought about mating and giving birth; however, it’s more likely The Lord created the animals with this desire.

In a way, The Creator is not offering the wording “Be fruitful and multiply” as a choice; but rather, as a statement of the way He designed beings; not only the animal kingdom, but human beings also. While man, I believe, evolved from the thoughts of The Creator; and not necessarily biologically, as Darwin and others conclude, from that which was likely the last of the animals most resembling man, the ape, gorilla, and monkey; The Lord had it in His mind,

to “start over,” from scratch, in a sense, and from the “dust of the ground,” and water, made a new creation: *Homo Sapiens*, or humans.

Furthermore, keeping in mind, there is a good and evil to all of creation, after the fall of man and sin entered this existence, this natural desire of humans to reproduce; the primary purpose of man apart from ruling the planet and having dominion over animals, is the most perverted of all of man’s actions and the choices he and she makes. Think about it, how many humans are having sexual intercourse apart from sole purpose of bearing children? The Evil One knows The Lord created humans to give birth in His design; however, humankind has evilly perverted this most glorious of miracles.

My last words...

There is a reason the word or name most screamed, cried, or moaned when engaging in sexual intercourse is “God!” or “Oh, God!” Sinfully, more times than countless not; this is an evil demon calling out from a possessed and perverted person.

CHAPTER: God

VERSION: Even the Money Says...

†

**“I AM GOD...
EVEN THE MONEY SAYS:
‘IN GOD WE TRUST’”**

CHAPTER: God
VERSION: God is Good Friday

†

“I AM GOD...”

Mark my words...

In reflection of Good Friday, Holy Saturday, and “Easter” Sunday; I share these meditations between The Father and I...

“GOD IS GOOD FRIDAY, SATURDAY AND EASTER.”

GOD: *I, 100%, believe in God the Father. I have never seen Him, but I know He exists. I have been blessed to speak with Him and hear from Him countless times.*

FACT: *I find it humanly impossible to pray, or ask for something, and every 1,000-out-of-1,000 times; that prayer was answered. “How on Earth” could that be mathematically possible were I not communicating with a spiritual and Supreme Being? How could “The Universe” which is a material creation of The Creator; answer those prayer requests? It's humanly and spiritually impossible.*

ANGELS: *I, 100%, believe in angels. I have actually seen my guardian angel, The Archangel Michael [who appeared as a priest] to me, three times, while I was on a 40-day and night spiritual writing retreat in Newport Beach, California.*

FACT: *Angels are not only seen, but they communicate and are a creation of The Father's. I have had countless experiences with angelic beings. In fact, while mostly ungodly people believe in “aliens” or “UFO's”; which I don't believe exist; I know they may be mistaking these sightings or occurrences as angelic appearances.*

SATAN: *I, 100%, know the devil exists. I have actually seen him. While on the aforementioned 40-day retreat; the devil appeared to me. One day, I opened my closed Bible,*

and he appeared in the form of a translucent 3" inch and three-dimensional bug: with clear skin, and red and blue blood veins. In that instance, he told me to fear and to die.

FACT: Satan has presented himself, to me, as he does others, mostly in the form of invisible and spiritual situations which are always destructive and deadly. He mostly presents himself as a deceiver and liar in spiritual situations which I can detect are evil. He, most times, does this by possessing people, actual humans, and using them. In fact, virtually every time, apart from the aforementioned; an evil angel, or demon, or Satan himself first appears harmless and helpful; he is crafty enough, as he was with Adam and Eve; to know if he approaches you to tell you he will destroy or kill you, you would be wise enough to walk away; however, if he first comes as an "angel of light"; he can trick, tempt, and trap you with the sole purpose of destroying and killing a person.

THE HOLY SPIRIT: *I, 100%, believe and know He exists. I know because I have both possessed Him and seen and done the miraculous. I feel like I am God within. But I also know, because I have been demonically possessed and cursed. Yet, when I am cleansed, healed or exorcised, I have seen and sensed something consume my carcass of a body. I sense God, Himself, in the "invisible" form of "air" has filled my body. "How else can that be?"*

FACT: The Holy Spirit is the Spirit of God; which, when man was created; he was created a spiritual being in the "image of God." God is Spirit. In creation, God the Creator, covered a spiritual body with an earthly, literally, covering; not unlike the animals, another creation of His, He covered us with skin. In fact, without the breath of air, humankind could not exist. When God gave us His breath; He gave us life. "If the devil is death, which he is and God is life, which He is; then what is the Spirit which keeps man and I alive?" If it were only the evil spirit of Satan; man would not, never, or ever exist.

THE SON OF GOD, JESUS CHRIST: *I doubt. I do. I am not often 100% certain. I have many questions. The singular doubt and question I have is this: "How can God be a human person?" I confess, however, almost 99%-of-the-time, I do believe Jesus Christ is The Son of God. Here is what I think...*

FACT: Jesus was born of a virgin. If that is true, and not just a story; I admit, it is a very creative and great story. It only makes sense that if God were to be a human, He would have to enter this earthly existence in a literally, truly, "once-in-a-lifetime" way.

FACT: I know Jesus was a prophet, but He also said, "I am the way, the truth, and life; no one comes to The Father but by me." He, also, said, "I and The Father are one. If you have seen Me, you have seen The Father." Fact is: He was either a liar or He is telling the truth. It

can't be both. If He is a crazy liar; then He was not a great prophet, and I don't want to believe or have faith in that kind of a person.

FACT: Jesus did miracles. It seems highly unlikely that so many people would witness, write about, and experience these miracles. If it was a healing, or an exorcising of a demon, or a resurrection, or a creation; I can't believe these were all of people's imaginations or deceptions. There must at least be one truthful happening and if so, where or how did Jesus get the power? From whom, The Father, The Holy Spirit? The fact also is: If it weren't for Jesus, and if Jesus didn't possess the Holy Spirit; which consumes and indwells human beings; how did the Holy Spirit get here? Who was it in? It was in Adam, okay. It may have been in John the Baptist, since the Bible records John as "being the only person born with the Spirit"; but John, Himself, declared he saw the Spirit descend on Jesus and even heard God the Father say Jesus was His Son. I doubt he would lie.

FACT: Since I know, 100%, there are angels and the devil; and I know, 100%, Satan is a destroyer: How is it man remains alive? I have witnessed evil and death in countless ways and instances amongst people. It may and must make sense that God, Himself, may have to also take human form to save us from ourselves. I mean, nothing else was working. I have known and studied Christians and peoples from every corner of the world, and all of the world's religions, and to date; only the truest Christians appear to be the godliest of people; the most like the God of love and life.

FACT: While Jesus said a couple or more times, He was God; He always, always, said He had a Father and never once said, He was greater than God the Father. He never once, even if all the accounts of His life, in the Bible, or sacred, or any historical writings were fictional; I have never read, once, whereby Jesus did anything but worship God. "I find it hard to believe," either in truth, but especially if fictionalized; that a writer wouldn't really blaspheme, the way the devil would, and write or say, "Jesus said He was greater than God."

FACT: I know and have tried to work with many Jewish people. More times than not, it troubles me to work with them. They seem to dislike, fear, or reject Christians. I think to myself, "Hey, I am a believer, a devoted follower, a disciple of perhaps the greatest and most renowned Jew ever to exist...Jesus." Why won't you accept me? I mean, I don't always like being a disciple of a Jewish person, but then again, I say to myself, "I am really a disciple of The First Christian." I think, regarding the Jewish people: If Jesus isn't the person, the rabbi, the teacher, whom you follow; then who is your Jewish leader? Whom: Adam, Abraham, Moses, David? Who, today, who is the #1 Rabbi on Earth; who is your leader? It seems too me there is none who taught or lived a life of spirit, love and life more than Jesus Christ and if He and I are your enemies; then at least have mercy on us. After all, The True God is a merciful God.

FACT: I have personally witnessed and experienced, and I have seen or read it countless times; that believers in Jesus as The Son of God; have had more devilish destruction and satanic hatred leading to loss of life directed at them, than any other people in creation. I know, I can personally attest; that before I was a Christian; the devil never really bothered me, I was beloved by people and yet, felt like I didn't truly know God. However, after I became a "Born-Again Christian," I have never been more rejected, disrespected or reviled by man; but yet, have never felt so personally empowered or closer to The God of the Universe, Himself. "Why is that I ask?"

FACT: Jesus may have thought or felt, or it been wrongly recorded, that He said, "I am a son of God's" and not "The Son of God." I mean, I, 100%, without a doubt, believe I am, a son of God. I know I am. I also know, I don't say or act nearly 100% the way Jesus the Christ did. I know I don't. In fact, from all the testimony I have ever read, or studied, in fact, all the biographies I have ever researched on every human, who has ever existed, to date, real-life, or fictional character; I have never seen, heard, read or met anyone on Earth who appears to be more like God than Jesus Christ.

FACT: Jesus' disciples, including Peter, perhaps His lead disciple, each abandoned and, in a sense, rejected Him at the time of His crucifixion and death. Jesus the Christ, the Rabbi and Teacher, the Good Sheperd, who laid down His life for His sheep; preached and taught the news of God's love and the saving of life in this existence, yet, again, none of them were willing to die with Jesus; or admit they were even His followers and disciples. Yet, yet, yet it is unfathomable and incomprehensible to think that decades after His death; all but the exiled disciple actually taught and preached the life of Jesus to the very point of being stoned, crucified, murdered and executed themselves! One must truly believe in Someone if decades after His birth, life, death and resurrection; you'd be willing to lay down your life for the belief of The Messiah, The Christ and the apparent Son of God. This is belief in truest human form.

FACT: If I am wrong about Jesus, when I die, I, 100%, "find it hard to believe," that God would reject me from Heaven for being misled or for making this mistake. "I have to believe" He would say, "Mark, you made a mistake, but it's okay, many people did." "On the other hand," if Jesus is the Son of God and I reject Him, then I know I am doomed. I would be doomed because I not only rejected One who loved God; but One who defeated the devil; One who was empowered with the Holy Spirit; One whom the angels seem to serve; and One whom died and on His own, resurrected from the dead; but mostly, mostly, one whom I know, because I know, I, 100% know, I know; His Father created, loves and saves my life every waking moment and every single day; and One in whom I am saved and have life this day.

God bless you and peace,

I adore animals.

In other words...

When I look at them, I definitely don't think about them as a meal or food. I don't think of them as male or female. I don't even think of them as being a different type or species from each other. To me, they all look the same; there's no difference between cat and dog, horse or camel, bird or fish. They just all have eyes, and when I look in their eyes, I see life [and sometimes I see them as toys who have life]! Mostly, however, I see them as creation and I think: “God, my friend [most times], made these and He loves and adores them, even more than me.”

One of the greatest deceptions I have ever seen is the glorification of it. To me, it is criminal, polluted, loud, overpopulated, and overpriced. There are, however, many beloved animals like pigeons, flies, and giant-sized rats.

CHAPTER: God
VERSION: Religion

†

“I AM GOD...”

Mark my words...

God:

God is God. He is Spirit but He is not human. God is love. God is life. God is love, life, joy and peace. God is holy, perfect and good. God is time and He is the Creator. There are no gods above The God. I don't want to be myself; I only want to be a child of God. I am not the Son of God; I am a son of God's.

The devil:

The devil is the enemy of God. He is unholy and evil. He is not even imperfect because that implies there is some goodness in him; there is no goodness in him. There is only destruction and deceit. He always appears as an angel of darkness but often appears as an angel of light. His time lasts but a split second, which is why he can steal a lifetime in the blink of an eye. And since the beginning of time, he first approaches and attacks the woman.

Woman:

A woman was created from a man and as a daughter of God's. She was created after the angels, Animal Kingdom and the man. She was created to be a mother; a helper with the man's work; and a wife to give man the love life joy and peace he does not receive from the angels, Animal Kingdom or the Universe.

Work:

A man's work, my work, is to know the knowledge that life is a gift from God because He loves me; and He created creation, and the angels, the universe, the animals and me because He loves life, and it gives Him joy and peace, and these are also mine to experience in this existence. And my goal in life is to have a relationship with Him in this time and form of existence. It is

also my goal to die having never taken a life. My life was created to work, and time is always more valuable than money; and my time is spent working for and with The Lord, His creation, the angels, the universe and the animals.

Sleep:

The Lord never sleeps. He rests but never sleeps. He never created mankind to need sleep. Man's sleep is a reminder he is not God; and that this existence is a life between eternal Heaven and infinite Hell. My subconscious sleep may be well with dreams, or unwell with nightmares. Sleep reminds me that every day I am one sleep away from forever sleeping which is death; and that I need to truly live every day, in this existence, as if it were the last of God's, creation, the angels, the universe, the Animal Kingdom, my father, my mother, and lastly, myself.

Father and Mother:

I will honor my father and mother by living each day, before I sleep, as if it were his and her last. I will carry on, advance, and increase the work the Lord created them to do. I will learn from their mistakes and not make my own mistakes, twice. I will become my own man, or woman, when their life ends, but will not pridefully place my life over theirs, but live this existence in service to them since I would not exist were it not for them. I will also work to be fruitful and multiply for this is a power and choice The Lord could only create once but not perpetuate.

Play:

The God of Love and Life finds joy in play. He created the angels this way. He also created the animals knowing play teaches survival. My play is for this purpose; it is not for money, pride, or personal glory. My peace comes not only from winning, but from play itself; this mindset makes me a winner regardless of the outcome. Teams are churches of play; but The Lord is my owner, coach, and teammate. I play to win for Him and the one true church which is in Heaven with Him.

Angels:

The archangels and angels were created in godly order, with free-will choice like me. However, the angel, the devil; used his instinctual nature to believe he was greater or as great as God and it led to a spiritual war I cannot always see. I want to know God as much as humanly possible, but I can never truly know God or be God. I don't ever want my choices to be any other than those which please The Lord, or He would choose Himself. Also, I am human, I can never be an angel; angels are not jealous of me; they were here before me.

The Universe:

I am created from the Universe. I am cell, water and material. The universe is the home of the Animal Kingdom and animals like me. The Lord created the Universe perfectly. It was not created solely for me, but for the angels, animals and me to live in it. I am to know the place Earth is and the place Mars might be. It appears and exists as both Heaven and Hell, and my existence, here, a proving ground for my eternity.

Animals:

Father Time, The Creator, The Lord created the Animal Kingdom before me. I did not evolve from an animal or ape; but the thought of me, did. There is a resemblance and relationship between animals and me which can certainly be seen. They are to be revered, respected and not killed; because they were created before me and only my advanced mind and creativity gives me dominion and the rights and responsibility to shepherd them to a life of love, joy and peace along with them. They are not to be sacrificed or eaten; they are created beings like me.

Health:

I am to eat right and exercise. I don't eat meat, and the fruit of the tree or field is the holiest and healthiest thing for me. I don't eat gluttonously or to escape. I may eat, some, to comfort myself, but I eat for joy because The Lord created me with a need to eat. I exercise my mind, heart, and body because I love the life The Lord gave me and if I have my health, I do have everything. I am what I eat: I am holier when I eat right, and I become unholy when I eat the wrong things. I exercise because time, and creation, like me, are constantly in motion. My body truly is a temple to the Holy Spirit and the home to my everlasting soul.

Time vs. Money:

Time is always more valuable than money because it takes time to make money and while time lasts forever, money does not. Time may be, but not necessarily is money, but I can't take money with me. Money is, however, at times, a tool to buy me more time and there may be things only money can buy, but my time is priceless. Money is the root of all sorts of evil. In truth, God owns everything and unless it's sinful, I can make money at anything I choose as long as I am holy and good; and not unholy and evil.

The Spirit of Prostitution:

I will not become a slave to prostitution, or squander hard-earned money on a prostitute for The Lord keeps score. I will not become tempted, tricked or trapped. I will love and not lust; and if I cannot control my lust, I will lust only after the love of my life: my wife. I will beware of women because the spirit of prostitution rules, as the oldest profession, when the first woman

sold her soul and the sin of all mankind to the first man who foolishly and unwisely bought into it. I will not be enslaved to a woman or fall for selling my soul to the devil or her. I cannot be bought or sold, and I am not going to buy or sell. I will not sell myself cheap or try to buy-off my insecurity. I will not allow myself to be disrespected or made a fool; or let prostitution steal my freedom from me. True love, life, joy and peace are all free and priceless.

CHAPTER: God

VERSION: Revelation and the 10 Horns

†

“I AM GOD...”

Mark my words...

In the Book of Revelation, it amazes me in the times of plagues and wars; the descriptions of the end times for the New Unholy Roman Empire [which I believe is the United States], nations and planet Earth. And, by example, how the description and appearance of locusts and grasshoppers resemble the roaring military machines of today.

However, for many years, I have tried to discern the entire meaning of Revelation; and, in particular, the meaning of the “10 Horns.”

The following are some up-to-date, brief and vague interpretations which I believe The Lord has revealed to me:

REVELATION CHAPTER 17

BABYLON, THE PROSTITUTE ON THE BEAST

17 One of the seven angels who had the seven bowls came and said to me, “Come, I will show you the punishment of the great prostitute, who sits by many waters. 2 With her the kings of the earth committed adultery, and the inhabitants of the earth were intoxicated with the wine of her adulteries.”

-The spirit of death and prostitution, which also manifests itself in feminism and female empowerment, is Eve-like in its invitation and introduction of a multitude of sins [by women and men] and for there to be a female leader [or Vice President] of the United States.

3 Then the angel carried me away in the Spirit into a wilderness. There I saw a woman sitting on a scarlet beast that was covered with blasphemous names and had seven heads and ten horns. 4 The woman

was dressed in purple and scarlet, and was glittering with gold, precious stones and pearls. She held a golden cup in her hand, filled with abominable things and the filth of her adulteries. 5 The name written on her forehead was a mystery:

**BABYLON THE GREAT
THE MOTHER OF PROSTITUTES
AND OF THE ABOMINATIONS OF THE EARTH.**

-I always believed New York City to be the "New Babylon." But did you know New York City was the first capital of the United States of America? Therefore, the capital, now, Washington DC; is also considered "Babylon."

6 I saw that the woman was drunk with the blood of God's holy people, the blood of those who bore testimony to Jesus. When I saw her, I was greatly astonished.

-This refers to the sin and practice of abortion and the name of Jesus is mentioned because his was reported to be a virgin birth.

7 Then the angel said to me: "Why are you astonished? I will explain to you the mystery of the woman and of the beast she rides, which has the seven heads and ten horns. 8 The beast, which you saw, once was, now is not, and yet will come up out of the Abyss and go to its destruction. The inhabitants of the earth whose names have not been written in the book of life from the creation of the world will be astonished when they see the beast, because it once was, now is not, and yet will come.

9 "This calls for a mind with wisdom. The seven heads are seven hills on which the woman sits. 10 They are also seven kings. Five have fallen, one is, the other has not yet come; but when he does come, he must remain for only a little while. 11 The beast who once was, and now is not, is an eighth king. He belongs to the seven and is going to his destruction.

-Admittedly, I have not long studied the Supreme Court of the United States of America; but I don't doubt there is a parallel and an equation here with regards to the justices which have sat and served.

12 "The ten horns you saw are ten kings who have not yet received a kingdom, but who for one hour will receive authority as kings along with the beast. 13 They have one purpose and will give their power and

authority to the beast. 14 They will wage war against the Lamb, but the Lamb will triumph over them because he is Lord of lords and King of kings—and with him will be his called, chosen and faithful followers.”

-The US Supreme Court is likely the place of 10 horns and 10 kings; since it is not a state or nation; yet possesses the power of a kingdom. Therefore, a Democrat “packing of the Supreme Court”; which I had never heard of, or learned, until this census year of 2020; may well mean a 10th justice to the Supreme Court; or, more likely, 10 male justices influenced by a number of misleading female justices who subversively undermine the God of Love and Life with regards to a nation's beliefs and laws on abortion, the death penalty, physician-assisted suicide, homosexuality, equal pay for women and a number of deceptively evil governmental rulings, laws and judgments.

15 Then the angel said to me, “The waters you saw, where the prostitute sits, are peoples, multitudes, nations and languages. 16 The beast and the ten horns you saw will hate the prostitute. They will bring her to ruin and leave her naked; they will eat her flesh and burn her with fire. 17 For God has put it into their hearts to accomplish his purpose by agreeing to hand over to the beast their royal authority, until God’s words are fulfilled. 18 The woman you saw is the great city that rules over the kings of the earth.”

-“The Great City” appears to read like the United States and Washington DC and this may mean a male, Christian, President and Vice President are destined [as we prophesied when this current president was 500-1] to win the US presidential election; because if they do not, I do believe Revelation's “Beast from the East,” which is nowadays China; and not Russia [as wrongly prophesied by misleading Mega-Church ministries]; will continue to plague, [pun intended] “purchase,” overrule and bring the USA [her] “left naked and to ruin.”

In the end, this I do know: One day, the USA and its civilization will cease to exist; and, so too, Planet Earth; therefore, make peace with The Lord God of Love, Life, Joy and Peace and plan for Eternity since The Kingdom of God will be the only place God's chosen children reside for the last days and the end of time.

CHAPTER: God
VERSION: Some Top Sins

†

“I AM GOD...”

Mark my words...

God hates sinful pride.

In other words...

I am of the belief next to pride; the most common sin amongst people is this:

Those who say they believe in God, are Christians, or read the Bible; and yet, yet, when you witness their lifestyles and lives or even ask them; they will tell you, exclusive of the Bible, or of the God of Love and God of Life; what they believe to be the righteous and godly way to live.

People, I believe, do this either willingly, saying, “I don’t agree with that Commandment or what is written”; or they do so because they are unknowledgeable or ignorant. Neither may be a reason or an excuse for breaking God’s Commandments and Laws.

Personally, I know, because I know God and work daily to submit to His will; that my sinfulness comes from disobedience. I know God’s Law; I know what is right; and I agree with it; yet I will sinfully choose to do otherwise.

Personally, the second way in which I sin is that I am snared by Satan and attacked so satanically, no matter how hard I try; I can’t stop myself from sinning.

Thankfully, in both sinful situations; I may be redeemed because of my knowledge and willingness to submit to God’s Laws and righteousness.

Now, for veritably everyone I see, hear, or read; they sin because they, as noted, simply choose to reject God’s ways or are unknowing of them. The problem for them is they inherently negate

a chance at redemption because they only know the wrong, ungodly or sinful way; or disagree with it; and not only is “ignorance of the Law” not an excuse for it; but once a person disagrees with God’s Law; they become a god themselves. They, essentially, believe they are God; and this is the pride which God so hates.

My last words...

In this day and age, here are some commonplace examples of sinfulness I have witnessed [in no particular order].

-Adultery: So many people believe sexual relations outside of marriage is “okay in their book.”

-Murder: Every time you eat an animal; you are an accomplice to murder.

-Preaching: Female ministers or preachers are literally outlawed in the Bible; yet how many speak from the altar and how many people listen to such women?

-Taking the Lord’s name in vain: Of all the names, of all the human beings who have ever lived; why is it people say, “Jesus Christ,” in a negative or destructive way? Why didn’t they say, “Adam and Eve”; or “King David”; or “Columbus”; or “Martin Luther King”; or “Elvis Presley?” Why the name of Jesus Christ?

-"The body is a temple": Yet, how many people eat meat, do drugs, drink alcohol; or tattoo and pierce themselves; and for females have breast [or some such ungodly plastic] surgery?

-Homosexuality: Being gay is not okay.

-Speech: God is powerful and intelligent and spoke creation into existence; yet how many people are unintelligent and speak such evil and hatred?

CHAPTER: God
VERSION: Spiritual Freedom

“I AM GOD...”

Mark my words...

I didn't realize it would take 55-years for me to finally discern and finalize the thought process and arrive at a conclusion regarding an eternally life-saving perspective regarding the spiritual work of The Holy Spirit, but thank The Lord God and His Son, Jesus Christ, today 4-4, is basically that day.

If you read the Gospel of Mark, you will learn the primary action Jesus most did was to free or exorcise people of demons. Truth-be-told, since we are spiritual beings and created of the spirit; the reason Jesus came to Earth; was to leave behind His Holy Spirit; The Holy Spirit of God.

Truthfully, there are only two spirits which inhabit beings, both animal and human; either the evil and demonic spirit of Satan; or the divine Holy Spirit of God. Jesus knew this.

Truth-be-told, and as written in other chapters of this work; it is the spiritual embodiment or possession of a person, at the time of their death; which determines their eternal future.

Now, the key realization I have been so blessed to discover had been praying on my mind and I was inconclusive about how a person could be filled with The Holy Spirit apart from an exorcism. I knew it was possible and had thoughts on it; but as one who is constantly, constantly, constantly at war over the possession of my body spiritually, and having had countless and repeated exorcisms, I also knew there were times when such violent or radical spiritual exorcisms or releases had not taken place, not taken place, yet, yet, I truly sensed and believed I somehow felt holy inside and not demonically possessed.

*Truth-be-told; after warring with Satan following a period of prayer and fasting and mourning on Good Friday; I realized and learned the answer or solution. Keep in mind, there is recorded testimony in the Gospel of Mark, Mark 9:29, whereby The Savior speaks about an evil spirit **“...only coming out with prayer and fasting.”***

In other words...

Truthfully, there are basically three ways or levels to free a person from an evil or demonic spirit; and they are exorcism, prayer and fasting, and a wholehearted combination of both. In the example from The Gospel of Mark, 9:14-29, this exorcism required all the divine and godly power of Jesus.

Now, the lesson I learned, which can truly come about if a person prays and fasts; is that if a person remains sin-free, the evil spirit which possesses them really cannot “operate” against that person in the sense it becomes “frustrated” it is not having an effect and thus will depart in search of a body to possess which it can destroy and kill.

Keep in mind, there are different demons related to different sins; in fact, in Scripture, some of the demons are named. Nonetheless, the purpose of every demon is to destroy and to kill.

For example, this is why certain 12-step or addiction programs work, since addiction is directly related to sin and demonic possession. If a person frees their physical body of drugs or alcohol, then there is the possibility of allowing in the Holy Spirit. Keep in mind, if a person becomes sin-free, then there is the possibility the demonic spirit or spirits will depart the person. And if a person, beyond their own belief in a “higher power”; becomes born-again and accepts Jesus Christ as Lord and Savior; then The Holy Spirit will possess them, and they too may inherit true freedom and eternal life.

My last words...

The Holy Bible truly is the greatest “instruction manual” on the inner workings of demonic possession; and yet, it is the most mysterious, misread and misunderstood book as it relates to spiritual possession.

CHAPTER: God

VERSION: The Theory of Evolution

†

**“I AM GOD...
I WILL MAKE A NEW CREATION,
A MORE HIGHLY CREATIVE, INTELLIGENT AND UNIQUE
BEING OR CREATION AND I WILL CALL HIM, MAN”**

Mark my words...

I study and research the Animal Kingdom because of my profound and deeply abiding love for it. I love their creation, beauty, and God-given gifts of talent, strength and intelligence. I, ultimately, more so love the fact that The Creator made each and every one of them; and made them so uniquely. Think about it: Humans are male and female and basically all look the same. There are only two options: male and female. However, with the Animal Kingdom, while they are male and female, there are many, many more variations or versions of them. There are many, many more species and types. It is utterly, truly utterly, amazing.

In addition, I truly love the shared common denominator; beyond our creations being male and female; and being perfectly and artistically created and crafted from the hands of The Creator; and that is life. We each; animal-kind and human-kind, “animals,” if you will, have and share life. We have life.

In other words...

Now, with regards to evolution, there is the divide between science and faith; which declares via the study of one, Charles Darwin, that humankind was spawned or evolved from animals; and in particular, the ape. This is untrue, but true.

True, there is creationism; God is The Great Creator. However, there is also evolution; life, beings, things evolve; or in other words, they grow. True, there is evolution; evolution is a creative principle of God the Creator. He, Himself, uses His creative power and the principle of evolution to develop beings and things. However, again, there is a deceptive difference between

the division of creationists who believe God created all; which He did; and evolutionists who believe man descended from animals.

My last words...

Truth be told; man did evolve from animals, but not in the Darwinist sense or thought process. Man was not an evolving species from the animals or apes. God, The Father, first, as is even recorded in Holy Scripture; created the Animal Kingdom and animals before He created man. In fact, it is recorded that once God created the first man, Adam; each of the preexisting animals were brought to Adam for the man to name. The man, Adam, named them: Fish, Bird, Beast...you name it.

Father God, The Creator, did first create the animals, but man did not evolve physically or biologically from those first animals, in particular, again, the ape. Truthfully, what God did was: He loved and looked upon the life of the Animal Kingdom and in a sense, said to Himself, "I will make a new creation, a more highly creative, intelligent and unique being or creation and I will call him, man."

*The Father, in truth, created, "from scratch," from a new mold or foundation, literally "**...from the dust of the Earth,**" this new being and creation called man. He, God, did not transform or change an animal or ape into a man. Rather, The Creator, reformulated and developed His thought process, and not in any way out of the mindset of Him making some error; and definitively not just the process of science or biology "taking its course"; but again, an entirely new creation; and one very likely because the Animal Kingdom, God's creation, was being destroyed by Satan to the point of extinction.*

Again, in the end, God is The God of Creation and He is The God of Evolution; but He, God, is also The God of New Creation. God the Father created angels, He created animals, He created man, and He created His Son, and He created the Holy Spirit. God is a creator. He creates ideas, beings, things and life; this is who God is. God is The Great Creator.

CHAPTER: God

VERSION: *The Thorn in the Side*

“I AM GOD...”

2 Corinthians 12

Paul’s Vision and His Thorn

12 I must go on boasting. Although there is nothing to be gained, I will go on to visions and revelations from the Lord. ² I know a man in Christ who fourteen years ago was caught up to the third heaven. Whether it was in the body or out of the body I do not know—God knows. ³ And I know that this man—whether in the body or apart from the body I do not know, but God knows—⁴ was caught up to paradise and heard inexpressible things, things that no one is permitted to tell. ⁵ I will boast about a man like that, but I will not boast about myself, except about my weaknesses. ⁶ Even if I should choose to boast, I would not be a fool, because I would be speaking the truth. But I refrain, so no one will think more of me than is warranted by what I do or say, ⁷ or because of these surpassingly great revelations. Therefore, in order to keep me from becoming conceited, I was given a thorn in my flesh, a messenger of Satan, to torment me. ⁸ Three times I pleaded with the Lord to take it away from me. ⁹ But he said to me, “My grace is sufficient for you, for my power is made perfect in weakness.” Therefore I will boast all the more gladly about my weaknesses, so that Christ’s power may rest on me. ¹⁰ That is why, for Christ’s sake, I delight in weaknesses, in insults, in hardships, in persecutions, in difficulties. For when I am weak, then I am strong.

Mark my words...

The “thorn in the side” for man is sin; but more so, “the thorn in the side” for mankind is self-destruction.

ANSWER KEY:

A=Antichrist

[Your spirit is “anti” or “against” Christ’s—all the while you appear to all and to yourself to be a “Christian”].

B=Born Again

[Your “Born Again” spirit is against Christ’s. God is a living God, not a killing or dead God].

C=Christian

[Your “Christian” spirit is not Christ’s Holy Spirit. You are a “false” or “counterfeit” Christian].

D=Devil

[You are of “your father” the devil, as Jesus said. The devil has been a murderer (and a deceiver) from the beginning].

E=Explanation of other reason for doing so

[The devil has an innumerable number of explanations and an untold number of lies to combat the one, singular truth. And well-meaning or otherwise; your truth is that you are like he, a murderer (and a liar)].

F=Follower

[You are a true Christian: a follower of Jesus Christ].

FINAL MARK: *The Commandment is simple: “Thou shalt not kill.”*

Jesus spoke 2 Great Commandments: “Love God”—“Love thy neighbor”

*He also said: **If you break one Commandment—you break them all.***

These questions all follow these Commandments: If you break one [or fail one question] you fail them all.

TEST—Final Marks

Matthew 7:13-14

¹³“Enter by the narrow gate; for wide is the gate and broad is the way that leads to destruction, and there are many who go in by it. ¹⁴Because narrow is the gate and difficult is the way which leads to life, and there are few who find it.”

Final Marks...

The way is broad that leads to destruction. If Jesus said the way to Heaven is narrow... It stands to reason; the way to Heaven is the one against destruction. And, after all, isn't murder or killing simply destruction?

MATTHEW 7:21

I Never Knew You

²¹“Not everyone who says to Me, ‘Lord, Lord,’ shall enter the kingdom of heaven, but he who does the will of My Father in heaven. ²²Many will say to Me in that day, ‘Lord, Lord, have we not prophesied in Your name, cast out demons in Your name, and done many wonders in Your name?’ ²³And then I will declare to them, ‘I never knew you; depart from Me, you who practice lawlessness!’

Final Mark...

Lawlessness is breaking the rules—following the rules means passing the test.
