

Dear Family and Friends,

Greetings to you all in the Name of Jesus Christ. It has been almost two months that I have been in America. I came without my husband and son for a short visit as they were not able to obtain a visa. It has been such a joy to meet new friends as well as see the friends I have not seen in a long time. I also want to apologize to the churches and individuals that I was not able to visit because I was not able to stay very long. I hope that on my next visit my family can come and I can stay longer and see more people. Please be in prayer for my family to receive a visa. As my time here draws to a close, I want to thank all of those who hosted me at their church, small groups and in their homes. It was truly a blessing to be with you all. Your hospitality and generosity was amazing! You are such a huge part of my life as well as the children at the Orphanage Home and the ongoing ministry. I am so happy that we are serving the great God!

I also want to acknowledge my forwarding agent, Lynn Skonnord, for taking time out of her busy schedule to drive me 4000 miles to visit those who support the orphanage. Words cannot express my appreciation. We had a special time together and it was a blessing for both of us. I also want to thank my American parents, Skip and Lynn Skonnord, for their unconditional love for me. They made me feel like I was staying in a home-away from home.

I am so thankful to God that I was able to get some immunizations while I was here. They are not available to me in Nagaland. God has been so good and faithful to me in many ways. I was having some headaches and dizziness at home but since I have been in America that has all gone away. Praise God!

Skip and Lynn will be traveling back to India with me on October 31st. Please pray for safe travels for us as I return home and for them as they return home on November 14th.

The children, staff and I pray for you every day; that God would give you peace, joy, protection, and good health. May He continue to bless each one of you.

Thank you

Because of Him,

Elilo Ezung
