January 2021

Dear Park Place Family,

Happy New Year!! I doubt many of us, if any, sadly and reluctantly said good-bye to 2020. Last year was definitely a year to challenge our patience and our faith. It was a year that required more time in prayer and meditation, because it offered numerous opportunities to call on God, and lay our burdens at his feet. We were forced to be creative as we accomplished objectives, which we had easily handled in years past. The year 2020, required us to find different and innovative pathways to worship.

So here we are, 2021. We're still wearing masks and washing our hands so often our skin has become dry and chafed. We are still separated from our dearest friends by six feet, and our Sunday morning worship service is still viewed from the comfort of our homes. However, many people have already been vaccinated against the virus, and we are turning the bend and hopefully, soon putting Covid-19 behind us. We look forward to new leadership in Washington, a President with a caring heart who wants to reunite our divided nation, and our first ever Black female Vice-President.

As we move forward, I believe we can find encouragement, strength and direction in God's words to Joshua. In the first chapter of the book of Joshua in the Old Testament, we read, "After the death of Moses, the Lord's servant, the Lord spoke to Joshua, son of Nun, Moses assistant." God told Joshua that it was time for Joshua to lead the people across the Jordan River into the Promised Land. Although there would be battles, God assured Joshua of victory with these words, "No one will be able to stand against you as long as you live. For I will be with you as I was with Moses. I will not fail you or abandon you."

As we move forward into the uncharted weeks and months of 2021, let us remember that God has never abandoned us. He was with us and sustained us during the challenges and heartaches of 2020, and he promises to be with us in 2021. He will be the light of our life which shows the way; he promises to be the spring of life-giving water bubbling up inside each of us; and he is the bread from heaven to fill us when we hunger.

As we move forward into the unknown of a new year, let us stay focused on our Lord, who continues to guide us and strengthen us to fulfill the call he has for us to minister to each other and to those in need.

May the Lord richly bless you and your families in this New Year.

In Christ's love and mine,
Pastor Bill

Happy New Year!

I think we are all happy to welcome in a new year. Now that 2020 is in the books, we can look back and just shake our heads. We have hope 2021 will be much better as vaccines against Covid-19 are becoming available. I appreciate all the efforts of those who have plugged along with compassion and prayers for others. I look back at the virtual chats, music and sermons of this past year and am in awe of the creativity and dedication to our beautiful Park Place Church family and friends. I am proud that we can continue to minister to those in need and what can be accomplished through faith. I have been blessed with your friendship, concern and love during the last year and look forward to another year.

May God Bless each and everyone,
Shirley

EPIPHANY EPIPHANIES

Sometimes brief words of ancient wisdom can spark an “aha!” moment — a revelation of new insight about God or faith. Here are some epiphanies for the season of Epiphany.

“If we approach with faith, we too will see Jesus ... for the Eucharistic table takes the place of the crib. Here, the Body of the Lord is present, wrapped not in swaddling clothes but in the rays of the Holy Spirit.”

—St. John Chrysostom (347-407)

“So that we might also have the means to go, the one we were longing to go to came here from there. And what did he make? A wooden raft for us to cross the sea on. For no one can cross the sea of this world unless carried over it on the cross of Christ.”

—St. Augustine (354-430)

“You wish to see; listen. Hearing is a step toward vision.”

—St. Bernard of Clairvaux (1090-1153)
