

What are some of our Young people doing...

(and not so young)

Hailie Padula graduates June 11th she will graduate as a member of the National Honor Society, Rhode Island Honor Society, and the National Technical Honor Society for the East Providence Career Technical Center, and will start Worcester Polytechnic Institute in August for Architecture.

Sophia Padula will be entering into the 3rd grade in the fall, she will be back to school in person (much to her dislike, and her parents pure happiness).

Andrea Padula has finished her certification program at Community College of Rhode Island for Medical Coding and Billing.

Natalie Ruh is finishing up Kindergarten in June. She loves school and has started to read books. She has also started to learn French.

Bennett Ruh is really interested in all things space related. He loves looking at the moon and now has a telescope for a closer look. He also loves to draw and paint.

Finley Ruh is very active and his vocabulary is expanding every day! He loves building blocks and running around outside.

All the kids are looking forward to the summer and more outdoor time!

On December 19, 2020, Amiyah Madison was born and made us the happiest people alive. Our princess has been

a bundle of joy and huge blessing. She has a personality of her own and brings joy to everyone she meets. She loves to smile, giggle, play with her favorite toys, and certainly will tell you when she's hungry. She loves being outside enjoying the fresh air and swinging at the park. She already shows so much independence and we can't wait to see her grow into a beautiful woman. We love you Amiyah!

- Jocelyn Neves

Taylor Poland

- I was on Deans List both fall and spring semester
 - I presented psychology research at the Eastern Psychological Association Conference in March and also at the Undergraduate Symposium in April.
 - I was nominated and awarded an Augustine Scholarship that is "given to a group of students based on their academic achievement, leadership in and out of the classroom, high moral character, and service to others."
 - I was voted in as the president of the psychology club
 - I was inducted into Psi Chi Honor Society in November
 - I was in the Varsity 8 boat this spring and we beat JWU
 - I began tutoring psychology, philosophy, management, and general writing at Assumption's Academic Support Center.
 - I was promoted to Head Tutor and next semester I will be a Tutor TA for literature and composition courses.
- Overall, it was a busy year but very productive! I hope to see you soon!

Hunter Gervais

- My team was able to play two games this year due to covid.
- I was voted as Student Athlete Advisory Committee (SAAC) President

- I was nominated for the School of Communication Student Athlete of the Year Award
- I participated in a student run marketing agency on campus
- I work part time at my schools fitness center
- I have accepted an internship at a lacrosse camp in Andover as a communications intern for this summer
- I won the All-American Strength and Conditioning Athlete of the Year Award
- I made Deans List in the fall and spring semesters

Hannah Gervais began training to be a cashier/bagger at the Market Basket in Attleboro in April. After four weeks, she was asked to begin training to be an assistant manager. When the first RI store opened in Warwick on May 21st, Hannah entered the doors as one of their Assistant Managers. She loves working there, has met a lot of nice people, and has become more confident and outgoing. Her managers praise her for her quick learning, organization and attention to detail. She will hold a full-time schedule once school is out for the summer.
