# The Spire

Dear  
Park Place  
Family and Friends,

We have just  
celebrated the birth of  
our Savior Jesus Christ  
and we are reeling from  
the overwhelming joy of the

biggest and best birthday celebrations of the year. I  
hope that you all were able to be with friends and  
family during "The Most Wonderful Time of the Year".  
It's a time for us to reawaken the magic and wonder of  
the blessed gift that God sent to the world so that we  
could all experience the Hope that comes from our faith  
reminding us that, in all times, God is with us. We are  
also reminded of the peace that comes from opening our  
hearts to Jesus as we have learned that the peace that  
comes from God is like no other. We also celebrate the  
joy that our hearts feel as the Messiah has come into  
the world bringing love and light that shines through  
all the darkness of the world and shines light for our  
hearts to reflect that light out in the world.

May the hope, peace, joy, love and light that we  
experience during this time of the year enlighten the  
way for us as we move forward to be God's people in  
today's world doing our part to help spread the good  
news. May this new year be a blessed year that brings  
us closer to our faith and may we help light the way  
for others.

Blessings to you all,

*Pastor Wayne*

## A PURPOSEFUL NEW YEAR

The man who goes into the new year without some priorities governing his life and without some principles guiding his behavior, is prey to the tempting, unimportant and destructive things in life.

The new year is an opportunity to sort out the useless tasks and plan for the important; to review the failures and resolve to be successful; to take an inventory of causes and pledge life to purpose and service. These being done, the new will truly be new, different and better.

— C. Neil Strait
