

FORT POINT GARRISON BRASS BAND
MINI-MEETING
Burger and Brew, Chico, California
August 7, 2015

It was decided that September 1, 2015, would be the "cut-off" date to determine whether the Band performs in Monterey at Colton Hall for a Christmas concert, or at the Redwood City Old Courthouse for a holiday concert. We need answers from both venues by then in order to plan for December.

Eric mentioned three dates (Sundays) in November for possible performances by the Band of Christmas music at the Concord church where we played previously.

The Band will decide the future of the Christmas CD and its manufacture, notes, pricing, and distribution after all members have heard it completely. Marty passed out to Band members extra CDs she had burned so that all could listen to the recording.

Lunch and tour at the Sierra Nevada Brewery was terrific, and all agreed that the Stansbury Home gig was a positive. They indicated that they would like us back again.
