

PRESIDENT'S MESSAGE

It was wonderful to see so many of our members at the February meeting at the Medina Library in the Ancestry Department. I was amazed at all the resources available for free or at cost to Medina residents. Many of which do not deal with Ancestry- including screen printing, copying, sign making, sewing, transferring old photos and VHS tapes to digital format. The list goes on, if you weren't able to come, please check out the Medina Library. It is a wonderful resource. A big thanks goes to Hospitality for making a moveable snack for us and Programs for arranging this event. We have important business coming up in March to prepare for the following Membership year. At the March 16th meeting at Towne Hall the slate of officers for next year will be presented to the Club. Voting will take place at the April meeting. In March, we will be giving a small explanation of the work done by the various committees. Our newer members probably are unaware of how much work gets done behind the scenes on the

committees. Sign-up sheets will be distributed so that members can let us know on what committee(s) they want to help.

We are busy with preparations for the Easter Egg Hunt to take place Saturday, April 8th at Our Lady of Grace Church. We are still asking for volunteers for that day. Our fundraising aspect of the event is the basket raffle that takes place along with the Easter Egg Hunt. If anyone would like to donate a basket or items that could be included in a basket, please let me, Ann Leo know at leoann1280@gmail.com or 330.304.4988, and I could arrange pick up. Our program will be different than listed in the Membership Book. The painting by Lynne Rotundo has been moved to a Social Event at Foster's Tavern on March 22nd. Instead we will have an informative presentation by our own Cris Vomero. Programs will give more detail later in the newsletter. Hope to see all of you there March 16th. I heard that Hospitality has something special "cooked up" for the meeting.

PROGRAMS:

At our meeting next Thursday, March 16th, our own Cristina Vomero will talk about Eden Energy Medicine---how to keep your energies in sync .

She will be demonstrating/leading a few basic energy med exercises to benefit one's own energies from the Daily Energy Routine as well. Also, each committee chairperson will give a brief overview of their committee for members to learn what is involved as we start planning for the fall.

- [Debbie Moss](#)

SCHOLARSHIPS:

We have received 7 applications so far. Pat Fordosi has volunteered to prepare the applications for us to complete a blind review. We will meet after the 3/15 deadline and before the April Board meeting. The winners will be introduced at the April regular meeting. Thank you.

Buzzard Sunday is March 19

HWC T-SHIRTS:

Our T-shirt order was placed shortly after our last meeting. Alison Kuzma, Ackmera Custom Wear Owner (and Hinckley resident), let us place a smaller order than usual because Buzzard Day is coming! She says that barring any glitches in transport, we should have our shirts in time. As soon as the shirts come in, I will let the buyers know and we'll make arrangements for pick-up.

BUZZARD DAY CONCIERGE TEAM:

Thank you all who volunteered to serve as Buzzard Day Concierge Team Members. Guests always appreciate your smiles and your help. See you Buzzard Day! If you would still like to help, and haven't signed up, you can go to the Hinckley Chamber Website and sign up via Sign up Genius (www.hinckleyohchamber.com).

HISTORY OF BUZZARD DAY:

In the beginning (1818), There was "The Great Hinckley Hunt", where settlers from the area hunted predator animals and dragged many of their bodies towards the center of Hinckley. Legend has it that the buzzards found those animals and "took care of them." Buzzards have returned to Hinckley ever since, right around Buzzard Day (March 15). In 1957, the first newscasters publicized Buzzard Day. So many people came to join the buzzard sighting, that the following year, 1958, the Hinckley Chamber cooked them a delicious pancake and sausage breakfast, and so was born the Buzzard Sunday Pancake Breakfast Tradition.

In addition to helping out as concierges, we will also have a table either in gym or at town hall to promote HWC and to fundraise through our beautifully wrapped books which contains a mystery as to what the book title is. If you would like to help out, please let Ann Leo or Debbie Moss know. Time frame would probably be 7am-2pm.

The above link is for a traditional Slovak Easter Cheese recipe. In my family, we call it “hrudka”. I grew up on this and it is a highlight to eat every Easter.

Irish Blessings

May you have warm words on a cold evening,
A full moon on a dark night,
And the road downhill all the way to your door.

May you have food and raiment,
A soft pillow for your head,
May you be forty years in heaven
Before the devil knows you're dead!

May you live to be a hundred years old with one
extra year to repent.
May your pockets be heavy and your heart be
light,
May good luck pursue you each morning and
night.
May the roof above us never fall in.
And may the friends gathered below it never fall
out.

Happy Saint Patrick's Day!!!

- Lynne Rotundo
