COMMUNITY SERVICE

Mary Ann Rocco, Director
145 Beadle Lake Drive, Battle Creek, MI 49014
Tel: 269-209-6640 roccomaryann@yahoo.com

PURPOSE:

Community Service is the heartbeat of the Grange. Granges that have a strong Community Service Program have a strong Grange. The purpose of the Community Service Report is to recognize and reward outstanding efforts made by Granges in their communities. The report is also intended to share information between Granges and inspire new ideas and programs.

PROGRAM PERIOD:

The Community Service program period is September 1, to August 31.

COMMUNITY SERVICE REPORT DUE:

September 10th This means that your book needs to be delivered to the State Community Service Director on or before that date.

DIVISIONS:

Granges are divided into two categories, small Granges with 40 members or less and large Granges with more than 40 members. Membership numbers are determined by the second quarter (June 30) membership report to the State Secretary. Granges will compete within their own category.

SUMMARY REPORTS:

A summary report form will be supplied to each Community Service Chairman. A report may be submitted alone or with a notebook to receive full credit as an entry. Reports may be typed or neatly hand written.

NOTEBOOK REPORTS:

Notebook reports MUST contain the Summary Report as the first pages of the report. Materials should be organized and indexed in a manner that effectively tells the story of your Grange's Community Service work. Some choose to arrange projects from large to small and others choose to arrange materials in chronological order. You might also want to include newspaper articles, flyers and or pictures of your events. Remember if a couple of pictures cover the event it isn't necessary to use a couple of pages of materials.

NOTEBOOK SIZE:

Maximum size for a notebook is a **2 inch binder**. Only one book can be entered. Any notebooks larger than this will not be judged. ***(Materials such as DVDs and computer generated programs should not be included with reports and may not be used in place of a notebook report.)***

PROJECTS:

Descriptions of projects should answer the questions, **What? Who? Why? How? And When?**

Suggestions to help tell your story:

- Why did you choose this project? What is your goal?
- How did you accomplish the project? Include the details of the work. Were there special committees? Did it take co-operation of other groups? Include the advanced preparations, and how many workers it took.
- What did you accomplish? Was it success? Include supporting materials (publicity, pictures, news articles, letters, etc.) Did you overcome obstacles? What would you do differently? Would you recommend this type of project to other Granges?
- Keep the report concise. Include only material that directly impacts on the project you are explaining.

AWARDS:

Cash awards will be given to 1st, 2nd, and 3rd place in each division.

JUDGING:

Selection of judges will be made at the discretion of the State Community Service Committee. All decisions made by the judges are final.

DEDICATED WORKER AWARD

This award has its importance to the Granges presenting the award. This award will no longer be judged at the state level. We hope that Granges will continue to present this award to people in their community.

Purpose: Each Grange is asked to honor a dedicated worker who has made a difference in the community. Giving public recognition to those who have given outstanding effort is important. This recognition is our way of saying "Thank You" for a job well done.

VIP — VERY IMPORTANT PATRON AWARD

Purpose: The purpose of the VIP Award is for each Grange to honor a member who has made an outstanding contribution to the Grange.

SUBMISSION: Only one entry from a Grange may be submitted to the State Grange per year. Submit a biography and a summary of the contributions the VIP nominee has made to the Grange. If possible, also submit a photograph of your VIP. The submission shall be sent to the State Community Service Director by September 10th.

JUDGING: Judging will be the responsibility of the State Community Service Director. An award will be presented at the Annual Session of the Michigan State Grange.

1. The Master should **appoint an agricultural chairman and committee** to work with different segments of production.
2. Become informed and involved on local and state issues. The basic needs of agriculture start with a group of business people investing in a highly technical business that welcome the support of all the consumers.
3. Invite local farmers, legislators to **participate in forums** to better secure legislature and support form local and state governments.
4. Agriculture is greatly influenced by taxation, petroleum costs, agricultural inputs and capital to purchase equipment, labor and supplies. The Grange **must understand** all aspects of farming are done in a timely fashion as farmers have no control over the weather.
5. **Promote** crop insurance, technology and cooperative relations.
6. Despite the fact that agriculture is done in a rural setting, the Grange **must promote good roads** (farm to market roads) due to the large amount of inputs and harvest return (meat, milk, crops, and vegetables) for an economic delivery.
7. The Agricultural Chairman should give a **detailed report** at each meeting regarding progress in agriculture.
8. The Grange should encourage business people and politicians to attend meetings at all time and make an effort to get them to join the Grange.
9. **Insurance is a very important issue.** All rural families should have a chance to have health and dental care and access to local hospitals.
10. **Let's work together to make these things happen.**

HISTORICAL COLLECTIONS

Roland G. Winter, Director

E-mail: rbwin129@comcast.net

The mission of the Michigan State Grange Historical Collection Committee is to collect, preserve and display, and otherwise disseminate knowledge, about those artifacts and manuscripts of historical significance which best represent the development and growth of the Michigan State Grange.

Dormant Grange records previously held at the Michigan State Grange headquarters have been catalogued and placed at the Michigan State University Library Archives and the University of Michigan Bentley Library for preservation. Records are available to those doing educational research, genealogy, and to interested Grange members. We continue our relationship with leaders at both universities.

Grange memorabilia and artifacts have also been placed with the Michigan State University Museum and the Michigan History Museum at the Michigan History Center.

We have recorded many Subordinate Grange histories and we continue to record others as we find them. If you write a history of your Grange for an anniversary or any other occasion, send us a copy to be included in your historical records.

Several hundred Grange Hall pictures have been identified, printed and location listed. We welcome the receipt of any Grange Hall pictures plus information regarding location.

The Past Masters notebooks in another project. The burial place of each deceased Past Master has been located, and pictures taken of the gravestones, including cemetery location. Historical information is included in the notebook about each Past Master.

When the State Grange Office closed, many pictures that were there were sent to the Bentley Library in Ann Arbor. Before they were sent, copies were made of many of them and they have been placed in plastic pages in notebooks. Naming people in the pictures and adding dates and locations is still needed for many of them. If you have a special picture from your Grange that you would like to have included in one of these books, send me a copy by mail or e-mail and I will see that it is included.

LEGISLATION

New Director To Be Announced

Legislation is a very important part of the Grange program. Use it to interest present and prospective members. Coordinate legislative efforts with those of the Master and other officers and departments of your Grange.

1. **Appoint a Chairman.**
2. Use the State and National Grange Legislative Booklets as a resource.
3. Become involved, in, and knowledgeable on, local issues. Be informed.
4. Prepare resolutions and send them to county, state, and national representatives — both Grange and Government.
5. **Publicize legislative activities.**
6. Place National Grange legislative materials in a notebook to use as a handy reference.
7. Compile a list of public officials at local, state and national levels. Keep names and addresses available for future contact.
8. Update your Grange. Let your **Master** know you have, and wish to give, a **report at every meeting**. Encourage discussion.
9. **Call for action.** Encourage your Grange to react to an issue by drafting a resolution or letter and sending it to the appropriate public officials and your local newspaper and radio station.
10. Contact other groups with similar interests. **Organize efforts on specific issues.**
11. Follow through on Grange-adopted policy. Find out why things have not changed, and learn how they can be changed.
12. **Make voter registration a priority.** Set a goal of having all eligible members of your Grange registered to vote. Involve the Grange in non-partisan voter registration drives.
13. **Ask public figures to join your Grange.** This could be the start of a good working relationship.
14. Work with **Lecturer** to promote a Grange Issues Forum.
15. Work with the **Agriculture Committee** to promote farm issues; the **Information Chairman** to publicize the Grange position on issues affecting your community; the **Membership Committee** to inform potential new members of the legislative interests of your Grange; the **Youth/Young Adult Chairman** and **Junior Leader** (or chairman) to encourage young people to become informed and active in public affairs; the **Deaf Awareness Chairman** to promote effective legislation for deaf and hard of hearing people.
16. Hold a **Candidate's Night**. Invite non-members.
17. Have discussions on **Health Care Reform**, or have a community wide meeting to discuss the subject.
18. **GET INVOLVED!**

MEMBERSHIP

Tricia Eidsmoe, Director
1451 Grey Road, Midland, MI 48640
Tel: 989-631-0079
Email: tennisbums@charter.net

The membership program is going to be a repeat of the 2023 program. I would love every Grange to make an effort to visit their sister Grange.

Here are the pairings. The Grange in the left column is to visit the Grange listed across from them in the right column. I tried to keep these as close geographically as possible. One visit to each other's Grange is all I am requiring.

Burns #160	Maple Leaf #940
Community #1675	Burr Oak #1350
Fredonia #1713	Plymouth/Westland #389
Gratiot #1898	Kinney #754
Harbor Springs #730	Barnard #689
Home #129	West Oshtemo #1630
Mosherville #1351	Colon #215
North Adrian #721	White Pigeon #1345
Oceana Center #1047	Summit City #672
Pittsfield Union #882	Adams #286
Studley #1174	Fern #803

The main factor for the pairing is membership activeness and participation in the community service program as well as other Grange programs. An active Grange is a prosperous Grange.

Here are the requirements for the membership program.

1. Arrange to meet at each other's monthly Grange meeting at least once. If you want to meet more, often, great. The more members from the visiting Grange that can attend will help to see any issues the host Grange may have and what their needs are.
2. Talk to the members about how their Grange is doing. What insights can you share that works for you Grange? We are all trying to increase our membership. Not every idea will work for every Grange based on their location.
3. Communicate with each other! Use whatever method works for both Granges: phone calls; meet in person. The Michigan State Grange has a Zoom account.

The report to me at the end of the Grange year will require the following:

Were you able to meet?

What were the results?

Did both Granges benefit? Did one Grange more than the other?

This program will run through the Grange year of August 31.

If you happen to gain new members, please try and get them on your Grange roster by June 30 to count in this year's membership program.

PUBLICITY — INFORMATION

Peggy L. Johnston, Director

Tel: 989-288-4546 (H) 517-285-6532 (C)
E-mail: msgrange1873@yahoo.com

SUGGESTIONS:

1. Appoint an Information Chairman. (Publicity and Public Relations)
2. Publicize meeting dates.
3. Publicize programs, projects and activities. Work with officers and Committee Chairmen.
4. Identify Grange name and number and meeting date and time on outside of Grange hall or meeting place.
5. Present a Media Award to your newspaper and/or others who publicize Grange events.
6. When writing articles use the 5 "W" system. What, Where, When, Who and Why?
7. Contact daily and weekly newspaper editors, TV and radio stations. Becoming friends with media leadership is beneficial.
8. Write and thank news media following coverage.
9. Plan special coverage for Ag Day or Ag Week, Grange Month, Better Hearing and Speech Month, conferences and the State Grange Convention.
10. Keep trying and you will see your news in print or hear it on the radio or TV!
11. **Send copies of newsletters or newspaper articles or a written summary of radio or television coverage, to the State Grange Office so your Grange will receive a certificate at the State Grange Convention.**

PUBLICIZE! PUBLICIZE! PUBLICIZE! PUBLICIZE!

I've found that it's not as easy to get newspapers to print articles for you today as it use to be. My local paper has deadlines for event releases which are several days before you really want the release put in the paper, but if you don't have it in by their deadline it won't be in there. So check with you newspapers and see what their policy is.

Grange news articles: Send articles to the Michigan State Grange for the Michigan Grange News. We publish the paper every other month. The due date for those articles is the 15th of the month prior to publishing. Such as: for the January-February Issue —articles should be sent by December 15th. These can be mailed to the office, or emailed. Just remember we cannot reprint newspaper pictures or articles.

SPECIAL RECOGNITION:

Special recognition will be given to the Granges that report publicity, fair booths, attend or host conferences, have special programs where non-members are invited and any other forms of PR during the year. These don't have to be sent to be put in the Michigan Grange News if you don't wish them to be, but they do help in knowing what is going on in your Grange.
