National Grange
of the Order of Patrons of Husbandry

In 1867 the National Grange became the first nationwide farm organization. It is the first national organization to give full voice and vote to women,

Oliver H. Kelley
National Grange Founder

50 years before Congress adopted the same. Since then, the National Grange's passionate, non-partisan style of grassroots vigor has ensured that the average citizen is fully represented in public policy dialogue.

The National Grange's subsequent efforts have resulted in a number of significant accomplishments, including:

- ◆ Creation of Public Utility Districts (PUDs)
- ◆ Women's right to vote in our state constitution
- ◆ Protecting private property rights
- ◆ School Bus Routes
- ◆ Rural Postal Service
