TUESDAY, OCTOBER 6, 2026

After breakfast at the Inn our guide will meet us for a full day of touring. We will travel historic Route 6A, the Old King's Highway, a scenic byway winding through centuries of Cape Cod history. It winds past hundreds of historic structures which characterize its early development. View a Windmill, a Cape Cod Lighthouse and visit the CAPE COD NATIONAL SEASHORE VISITOR'S CENTER. Sand dunes and the ocean surround you as you approach "Land's End" – PROVINCETOWN. We are now at the extreme tip

of Cape Cod. Formerly known as the “Province Lands” the pilgrims landed here first before they decided to settle across the Bay in Plymouth. Take some time to enjoy the wonderful variety of restaurants, shops, and galleries that make this artists/fishermen village so unique. Lunch is on your own today. This afternoon we will board an excursion vessel for an amazing experience of WHALE WATCHING. Try to spot Humpback, Minke, and Fin Whales going about their daily business. An onboard naturalist will introduce you to everything you see and will answer any of your questions about whales, birds, fish and lighthouses.

OR YOU MAY CHOOSE TO STAY ON DRY LAND:

Admission is included on a one-hour DUNE TOUR excursion. Ride through the protected lands of the Cape Cod National Seashore, the largest protected coastline in the country. WEDNESDAY, OCTOBER 7, 2026

Our Guide will meet us at our hotel and we will travel off Cape to MIDDLEBOROUGH, the “Cranberry Capital of the World.” We will visit Benson’s Pond Farm for a CRANBERRY BOG Tour. Your bog guide will show you examples of an existing bog, currently in production, and will discuss the stages of the cranberry growing process. There are two methods of harvesting, and you may even see it happening. Learn from the expert cranberry growers about farming and harvesting this fruit named “craneberry” by the Pilgrims. Next, we will travel to America’s Hometown – PLYMOUTH. Home of our Pilgrim Fathers and one of the country’s first settlements, it is well known in the United States for its historical value. Free time for lunch on your own on the waterfront. After lunch we will board Captain John Boats for a PLYMOUTH HARBOR CRUISE. This 75-minute, narrated cruise includes views of the Mayflower II, Bug Light, the Gurnet, and Clark’s Island. View the newly restored Mayflower II, a reproduction of the ship that brought the Pilgrims to the New World. A picture stop will be made at the Forefather’s Monument, the largest, solid granite monument in the United States. She stands facing the harbor, welcoming those who come by water. We will travel through SANDWICH – the oldest town on Cape Cod. You will view the Village Green, the Great Salt Marsh, a Cranberry Bog, and Cape Cod Bay. Sandwich became the site of one of America’s largest glass factories, an industry that flourished during the 19th century. This quaint and quiet seaside community is the hometown of

Thornton Burgess, naturalist, and author of 170 children's books A LOBSTER DINNER is included this evening. Alternate entrees will be available for any "landlubbers" not wishing to eat shellfish.

DAY 4

THURSDAY, OCTOBER 8, 2026

Kennedy Memorial, the Korean War Memorial, Hyannisport, and a view of St. Francis Xavier Church, the summer parish of the Kennedy Family. Next onto the WHYDAH PIRATE MUSEUM. The Whydah was a fully rigged galley ship that was built by the British. During one of its voyages in 1717, it was captured by the famed pirate Samuel "Black Sam" Bellamy. During an infamous storm off the coast of Cape Cod the Whydah sank, laying its treasure just 500 feet off the shore for over 300 years. Now you can touch and see the world's only authenticated pirate treasure. Lunch is on your own today on Main Street we will visit the CAPE COD MARITIME MUSEUM where the Cape and Islands maritime past, present and future is celebrated. Experience our inspiring passion and respect for the sea and how it continues to shape Cape Cod. Experience our maritime traditions and nautical history. After our visit to the Museum we will return to our hotel to freshen up for this evening's event. Welcome aboard the CAPE COD CENTRAL RAILROAD and feel the thrill as the whistle blows and your fun-filled adventure begins. Package Includes: 2 Nights Lodging, 2 Breakfasts, 3 Lunches, 2 Dinners, 3 Scenic Train rides, Tour of National Radio Astronomy Observatory, West Virginia Railroad Museum, Gandy Dancer Diner Theatre, Gratuities, Luggage handling and Transportation

DAY 1

Wednesday, October 21

This morning we will journey to West Virginia. A day of great adventure begins as you motor north into the Alleghenies; your destination is the town site of Cass. It looks much today as it did in its heyday as a company logging town. Restored company houses line the hillside. The Historical Museum and the Cass Showcase with its diorama and film provide interpretation. All aboard the Scenic Bald Knob Railroad! You'll pick up a box lunch at the Company Store, and then it's an exciting moment as you board a steam locomotive and pull out of the depot. This was a logging route with grades as steep as 11%, you'll climb through deep forest with a beauty as old as the hills and then suddenly you will break out above the timber and enjoy a view of West Virginia that is beyond words. You are at Bald Knob the third highest peak in West Virginia. There was a point on the climb that if had been paying attention you would have noticed that you entered a completely different ecosystem because of the change in the trees flowers and atmosphere. Dinner included at a local restaurant. We will spend the next two nights at a hotel in Elkins, WV.

DAY 2

Thursday, October 22

Today's wilderness excursion is the New Tygart Flyer, departing from the town of Elkins. This route features an "S" curve tunnel, a high bridge and miles of unspoiled mountain views. The vintage diesel-powered locomotive climbs along the cascading Shavers Fork of the Cheat River to the High Falls which are accessible only by train. The closest road is literally five miles away. Enjoy the view relaxing aboard our comfortable climate controlled passenger coaches. A box lunch will be enjoyed on the train excursion. Next we will explore the West Virginia Railroad Museum located in the historic Darden Mill in Elkins, West Virginia—a city that was built by the railroads. The Mill is on the corner of First Street and Railroad Avenue, two blocks south of the heart of downtown and the old railway depot. The Darden Mill was built in 1902, on land purchased from the West Virginia Central and Pittsburgh Railway Company. It was a grain mill between 1902 and

1943, run first by the Elkins Milling Company then by the Darden Company. A wonderful plated dinner will be served at the Gandy Dancer Dinner Theatre. Sit back and listen to the fabulous Mountain Memories Show Band as they serve up a 2 hour Branson-style show with music from the 50's - today featuring Country, Pop, Motown, Gospel, and Patriotic along with family-friendly comedy and amazing dancers. The Gandy Dancer offers a show that's guaranteed to have you dancing in your seat and laughing until you cry!

DAY 3

Friday, October 23

Today's excursion is on the Greenbrier Wilderness Train leaving from Cass, WV on a journey into the wilderness of the Greenbrier River Valley. Framed by forested hills on both sides of the river this remote, rugged, unpopulated region is home to Bald Eagles, Osprey, Black Bear and Coyotes. You will stop off at Durbin for lunch. This afternoon we will tour the Green Bank Radio Astronomy Observatory where you will find a valley filled with giant satellite dishes.
