PACE OF PLAY

1. Be ready to play when it is your turn.
2. One practice swing is normally enough.
3. Keep up with the group in front of you. If you are slow, try to catch up or let the group behind play through.
4. Watch the shots of everyone in your group.

Place your cart between the green and the next tee.

5. Play ready golf if your group is falling behind.
6. Line up your putt while others are putting and be ready to play when it's your turn.
7. Don't replay missed putts.
8. Record scores on the next tee, not on the putting green.
9. When playing from a cart: place your bag or park your cart between the green and next tee.
