Covid-19 New Mask

MASTER'S FORUM

Brethren:

Covid 19, wildfire smoke, when can we expect the locusts? These really are trying times. I hope that all of you are making the best of them and will continue to do so. Some health restrictions have been lifted but as the number of infections seems to be on the rise again, some restrictions have been re-imposed. The outlook isn't good for us to hold lodge meetings again any time soon. We are basically in limbo until things get better. The lodge is in good shape to weather this and any routine business is tended to by Bro. Secretary and myself. If Brothers have questions regarding lodge, please contact me or WB Rogers. I did attend a Master's and Warden's meeting called by our DDGM, RWB Bill Barrs. The appropriate health protocols were followed and all but one district lodge were represented. There was not a lot to discuss, however, under the circumstances, the LEAP program will not be used this year I'm sure the SR. Wardens were relieved to have this issue addressed.

Many of you already know, but for those that don't, RWB Ed Lomax and wife Sue will be moving to Nova Scotia Oct 1st. For obvious reasons, we cannot give them a gala send-off, but I'm sure I speak for all when I say they will be missed, and wish them the very best on their new life adventure.

Hopefully soon there will be more uplifting news, but remember until then: Time, patience, & perseverance accomplishes all things.

Fraternally,

Rob Mason, Wor. Master
