Brotherhood
 Masons come from all walks of life.
 We are plumbers, professionals, salesmen and CEO's.
 We are also brothers.
 When you become a Mason, you become part of a brotherhood of men committed to family, engaged in ongoing personal growth, and providing care for others and families in need. While our backgrounds and interests may be diverse, what binds us together are shared values and a desire to have fun, do good and build bonds that last a lifetime.

MASTER'S FORUM

Brethren:

I hope this forum finds you all comfortable and well. It's been a year since the Covid virus has restricted our activities but there seems to be a light coming into view. Possibly, we may be able to meet in September.

As you probably are aware, our annual Grand Lodge communication and 150th anniversary celebrations have been cancelled. I was looking forward to travelling to Victoria to attend. Grand Lodge officers will hold their positions until circumstances permit a change. RWB Bill Barrs, our DDGM, will make an official visit via Zoom. He was to visit Hiram on March 22nd; however, it was cancelled. I hope to participate and see how it goes when it is rescheduled. I still have a hard time with going part way through the protocols and not able to meet and do things according to ritual. The absence of physical socializing is most disturbing as well. With that said, our Zoom meetings will continue until we are able to meet.

At our last Zoom meeting an interesting talk was given on the use of the sextant. It's a symbol in Discovery's crest and so Bro. Raphael Hubbard prepared a short educational piece on how it's used and the calculations necessary to find your course. Quite relevant in a Masonic allegorical way. Thank you, Bro. Hubbard.

Our next Zoom meeting is Apr. 5th, 7pm. A link will be sent out to all. Hope to see you there.

Stay safe,
Fraternally

Rob Mason, Wor. Master
