MASTER'S FORUM

Brethren:

With Covid restrictions being relaxed further, we are still not able to hold tyled meetings. The venue capacity rules are now lifted but masking and vaccination rules remain in effect. Our last lodge style B of GP meeting was reasonably well attended so Monday, November 1, 7:00pm., we will do this again with practice opening/closing in the F/C degree. Also, we will have a brief act of remembrance to honour those who have served and are presently serving in our armed forces. I hope to see you there. Casual business attire please.

For personal reasons, WB Rogers has resigned as Lodge secretary and I have appointed WB Jed Jackson as interim secretary. I'm sure that Bro. Jackson will continue with the good work that Bro. Rogers leaves behind.

The widow's Christmas committee has met and are busy with a plan to connect with each of them. Last year this was well received and it cannot be over-looked.

2022 dues are payable now and as soon as a plan and method of payment have been established you will all be notified.

Fraternally,

Rob Mason,
Worshipful Master

**What Does
The "G" in
Freemasonry
Mean?**

www.MasonicPrint.com

While Freemasons can't claim an entire letter of the alphabet as their own, they do use the letter G within their symbolism quite frequently. However, there's a bit of contention around what it actually means.

Some say it's as simple as standing for 'God' and 'Geometry'. Others believe it represents the word 'Gnosis', meaning the knowledge of spiritual mysteries, which is a big component of Masonry. Others still devise that the letter G in ancient Hebrew had a numerical value of 3, which is highly referenced throughout history when talking about God.
