MASTER'S FORUM

Brethren:

At last we can meet again in a tyled lodge. Some restrictions apply as set out by Grand Lodge coinciding with provincial health regulations. All must have proof of vaccination and wear a mask. The porch book must be signed legibly & visitors must provide contact information for tracing if necessary. These restrictions may change in the future. Hopefully then, they won't be needed. There will be no repast after the meeting but there will be some social time. If, for any reason, you are uncomfortable attending a meeting at this time, I don't want you to feel pressured to attend.

Monday, Dec. 6th, will be our first regular communication since March, 2020. We have quite a bit of business to catch up on. We have two applications for affiliation & two for initiation. All of these applicants have been patiently waiting.

It's year end, so please keep in mind your membership dues. If you are travelling or will be away this winter, payment options are available

I hope the recent weather events haven't had much effect on you. It's been quite a ride this year, all things considered. Now that travel and visiting is permitted, I'm sure most of you will be visiting or having family visiting. Please take care, make many happy memories, and enjoy the season.

Merry Christmas to all.

**Rob Mason,
Worshipful Master**

Dear Brother,
I have been directed by the Worshipful Master to request your attendance at the meetings of Discovery Lodge No.149 A.F. & A.M. as indicated.....

Acacia Tree

Masonic Significance

Like the ancient Egyptians and Israelites, the sprig of acacia primarily symbolizes the immortality of the soul when it is presented to a Master Mason. The evergreen quality of the tree reflects the human spirit.

The ancient Acacia is a symbol of *regeneration, perseverance, and integrity* all around the globe. The evergreen nature of this bush represents the immortality of the human soul in Freemasonry.
