MASTER'S FORUM

Brethren:

I hope everyone had a great Christmas and saw friends and family. The Christmas committee delivered Christmas greetings and a small gift to each of our Masonic widows. The ladies were very appreciative of this gesture and were assured that we are there for them.

Though the weather was against us, we held our first regular communication tyled since March, 2020, and 10 brethren braved the elements to attend. We did manage to get old business completed and move ahead with 3 petitions. An E/A degree is planned for Jan 17th. A new year is upon us and although we are able to hold regular. tyled communications. the future is still uncertain. Fingers crossed, I hope the public health arena will start looking up and we won't be taking a step backwards.

I took warm, fraternal greetings to Hyram Lodge on their first communication in as many months as ours. It was election night for them and they will be having installation of officers on Sat., Feb. 5th. They have an E/A degree in Feb. as well, which we will perform for them. Traditionally, we perform their first degree for their newly seated officers and they in turn perform our first degree. Again, fingers crossed that we will be able to continue.

I wish everyone a Happy and prosperous new year and the best of health.

Fraternally,

Rob Mason Wor. Master
