The Masonic Gavel

There are two meanings to this symbol. Firstly, it represents the authority of the Freemason yielding it, who might use his gavel to punctuate his ideas and command order like a judge in court does.

Secondly, it's a tool used to break off the rough edges of a stone. Used in this way, the Masonic Gavel can be a reminder for Freemasons to chip off certain vices and maintain a pure, moral and spiritual heart.

MASTER'S FORUM

Brethren:

My term as Master of Discovery Lodge is nearly complete. I am amazed at how quickly the year has passed. Our next regular meeting in April will be step up night for the elected and appointed officers. Lodge will be closed under the direction of Brother Pat Palmer and his officers.

We will be going to recess during the business of the meeting for the AGM of the Temple Board. This is an opportunity for the Brethren to be informed of the operation and health of our building. Those that serve this function are a very important part of our wellbeing as a lodge.

Spring, to me, is the best time of year as it is a time for renewal and new growth. The days get longer and brighter as we come out of the winter months. We are able to "get outside" and enjoy this wonderful place we call home. Stay safe, my Brethren, and I hope to see you in Lodge.
