Be The Best You

The reputation of Freemasonry is in the character of each Mason.

It is within your power and within the power of every member to glorify or diminish the fraternity.

The bottom line is that the Mason who lives up to Masonry's teachings AND the obligations he took of his own free will and accord will be a man without reproach in all his dealings.

Not only with his Brethren but also among his neighbors, family, friends, and community.

In a practical sense, we are what other people say we are.

Thus, the best example for Freemasonry is a 'good Mason.'

Just as the best example of humanity is a good human.

You and I do have a heavy burden, an obligation if you will, to be the very best example of our fraternity that we can be.

MASTER'S FORUM

Brethren:

I welcome our newly obligated E.A.M., Bro. Tim Mitchel to our Lodge and wish him success and fulfilment through his Masonic journey.

Thanks to all the officers and brothers who stepped up to make this a very successful degree: WB Jackson and WB Wardell for seeing the preparation for the degree was done; WB Mason for sitting as PM and the lesson in charity; and VWB Storrie for wearing many hats that evening.

As I am still working in Golden, WB Jackson will be in the East and WB Wardell in the West until my return in November. I am available by phone, text or email for any business/questions. My hope is for Bro. Mitchel to prove up in October and to confer a FC degree on November 20th. WB Jackson will be doing the preparation for the degree in my absence and he will be looking to fill some spots for lectures and such if you wish to help.

My trip back to Golden involved hitting a dead bear on the highway at 4 am at Buckley Bay and spinning out as the truck behind me hit it as well! Poor bear got hit 3 times. Although my car had some serious damage, the Safety Centre in CR got me back up running that day. The Matrix is pretty scared and needs to be replaced soon. I am now back in Golden; sick with a cold and prepping for the FC degree. It is that time of the year so please stay home if you're not a 100 %. Wishing you all the best and see you in November.

Fraternally

Patrick Palmer, Wor. Master

NO EMERGENT COMMUNICATION IN OCTOBER

The Masonic square and compass is probably the most common symbol in Masonry, used to represent Freemasons and Masonic lodges around the world. Ancient stonemasons used the tools to create 90-degree angles and test the accuracy of their stones. In "speculative" Masonry, the square is an emblem of morality. The compass represents the relationship between the individual and society.
