Freemasonry is 'veiled in allegory and illustrated by symbols' because these are the surest way by which moral and ethical truths may be taught. It is not only with the brain and with the mind that the initiate must take Freemasonry but also with the heart. Carl H. Claudy

MASTER'S FORUM

Brethren:

Our Charter is never to be taken for granted. It takes dedication, leadership and hard work to earn, keep and maintain. Even more to restore it. Congratulations to Rainbow Lodge for restoring their Charter.

As March approaches, practices for the Master Mason Degree, on April 15th for Bros. Tim Mitchell and a candidate from Rainbow Lodge, will be rescheduled for Sunday evenings at 7:00pm. This is due to the Northern Lights Degree Team having the hall booked for their Monday night practices.

Charity:

After discussions with Wor. Bro. Schnurr, I feel it would be a worthy cause to host a *Burger & Beer Event* to help alleviate the unforeseen misfortune the condo fire has put him in. All proceeds, and donations, from this event will go to Wor. Bro. Schnurr. Details to be confirmed.

Brethren, "The three great tenets of a Mason's profession are; brotherly love, relief and truth." ..."Always remember and impress upon your mind the noble lesson of charity." (EAM Degree)

Fraternally & Masonically yours, Patrick Palmer, Wor. Master

SQUARE & COMPASSES

Perhaps the most recognizable Freemasonry, symbol of interlaced square & compasses unites two important elements of Masonic symbolism. The square represents morality righteousness. The phrase "on the square" has long been used to describe a fair, honest deal. The compasses represents spirituality, existence & the circle of life. As Roberts eloquently describes, "As the square cannot be corrected without a circle circumscribed by the compasses, man cannot find Divine truth outside the circle of law & love."
