Masonic Working Tools:  
*Plumb: A device with a string and a weight at the bottom (called a plumb bob) to help a workman determine if a vertical wall or surface is level. The plumb line always points to both the center of the Earth and to the heavens. It's a symbol of justice, rectitude, uprightness, equity, and truth.*

...Plumb.....Level.....

*Level: A building tool similar to the plumb, the level measures the levelness of horizontal surfaces. It reminds Masons that they're all living their lives upon the level of time.*

MASTER'S FORUM

**Hello Brethren:**  
 Welcome back to Lodge. Hopefully, everyone had a memorable and safe summer. As the season draws to a close, I always like to reflect and be thankful for this time of year. For many it was a very busy summer.

**Dear Brother:**  
 I have been directed by the Worshipful Master to request your attendance at the meetings of Discovery Lodge No. 149 A.F. & A.M. as indicated on page 2.

(Continued from page 1}

First, thank you to those that travelled to the Grand Lodge Assembly and congratulations to our RW Bro. Lowe on completion of his year as DDGM.

Second, I wanted to congratulate Bro. Elliot Storrie on being Raised to sublime degree of a Master Mason, at Hiram Lodge's Open-Air degree, and the many brethren from Discovery that took part and supported that ceremony.

Thanks to those that helped and attended our social events over the summer (June BBQ & Aug Picnic). It is always great to get together and have fun with brethren.

Congratulations to Bro. Jr. Deacon, Chris Jeffery, who got married to his wonderful fiancé at the end of Aug and will be away from lodge for most of Sept on his honeymoon.

I would be remiss not to mention to the many people that had medical procedures over the summer, though we weren't together you were never far from our minds, and we wish you a speedy recovery & hope to see you soon.

In September we will start a 3-month review of the signs and secrets of the 3 degrees. In our Sept Regular, i.e. Sept 9<sup>th</sup>, we will focus on EA degree and look forward to the Prove up of Bro. Charles Allen and Bro. David Brown to round out our review in that degree. At our emergent meeting, Sept. 19<sup>th</sup>, we will Pass those brethren to the more honourable degree of Fellowcraft Mason, if they are found suitable.

Comox Lodge's will have their Installation this month, which will be held at 19 Wing (Comox Base) Officers Club and hopefully we can show our support.

Lastly, on Oct 8<sup>th</sup>, the Northern Lights Degree Team will host a Pub Night, which looks to be a great night with awesome entertainment (Kenny Shaw). This event helps defray a portion of the costs of Burns Night for the benefit of the Lodge. So hopefully as many as possible can come out and support this event.

I look forward to seeing everyone again and hearing about everyone's summertime experiences.

Fraternally
