Acacia Tree

The Acacia tree is an incredibly hardy, durable tree, and as such has been used to depict immortality throughout ancient history. The Hebrew people used to mark their graves with a sprig of Acacia for this very reason.

Aligning with the Masonry belief in the afterlife, the Acacia Tree represents their enduring, immortal souls.

September 8th Result.

This meeting was held to obtain all the information concerning the offer to purchase the lot behind the Lodge. After a full & complete question and answer period the members agreed to take the question to the Diecovery Temple Board Society meeting. This meeting was held during the Refreshment of the Lodge. The motion read:

"I move that based on the information presented at this evening's Temple Board Presentation that the Brethren vote to approve the sale of the Discovery Lodge excess parcel of land to the CRT Autocorp and authorize the removal of the sale conditions."

This motion was Carried unanimously.

MASTER'S FORUM

Brethren:

The Board of General Purposes meeting of September 8th met its purpose. It appears that if everything goes according to plan, over the next few months, the lodge will be financially secure for a long while.

As many noted at our first Regular meeting, it is good to be back in Lodge. We are looking forward to a busy fall. At the same time please keep in mind that there are brothers who are dealing with difficult times: W. Bro. William Rodgers and W. Bro. Ben Bedarf.

October 6th is our next Regular Communication where we anticipate receipts of petitions and a Prove Up as a Fellowcraft Mason Bro. Aron Welsh.

October 20th at our Emergent Communication, subject to adequate Prove Up, the Officers of Discovery Lodge will raise to the sublime degree of a Master Mason Bro. Aron Welsh.

Fraternally,

V.Wor. Master, Dave Storrie
