MASTER'S FORUM

Happy New Year Brethren! I hope all of you had a Merry Christmas and enjoyed the Holidays. There was lots of shovelling happening where I live. The driveway and sidewalk were done several times over and then of course there was the snow-plow that covered over what was done the day before. It's all worth it when you have people walk by and stop to talk; always appreciating the work you do. That being said, we as the Brethren of Discovery Lodge should also appreciate the work done by the Brethren of Discovery Lodge. It sounds odd to say it but the fact is there are the few who do seem to always be there to get the jobs done and we all owe them a big "Thank You". There is so much to do and the challenges of managing our Temple make for some trying times. Finding funds to pay the regular bills and then working to try and improve what we have can be difficult. Discovery Lodge does well to have a solid core of Brethren who give so much of their time and resources to make our Lodge successful. We all have something to offer, whether it's to stay sharp with our ritual and promote good work in the degree; to work hands on with the various projects or to be there at lodge and bolster the atmosphere of our meetings. I understand that some of you are limited in your mobility and that makes it even more important to stay in touch because there are those of us who are able to travel and have room for another Brother. Try to be an active Mason, call a Brother and let us help you to come out to Lodge.

Fraternally,
Bill Rogers,
Worshipful Master
