**MASTER'S FORUM**

**Brethren:**

This is the end of my term as Master of Discovery Lodge; it has been a privilege to sit in the East. I was initiated, passed and raised in the Masonic year 5989 when all business of the lodge was done in the MM degree. I was not allowed to sit in lodge until I became a MM. Through those years I have watched the Past Masters go through the chairs and remember well some of the lively discussions and the times when learned brethren would quote the constitution or bylaws to make their point. We all take obligations to become a MM, when you take King Solomon's chair you take another and those obligations make us who we are. When the Grand Master enters the lodge even he makes a point of being preceded by the constitution, to which he is obligated. I take my obligations seriously and have tried to engage the brethren of this lodge to do so as well. I believe a leader, be it in lodge or otherwise, has a responsibility to engage the membership and in that way get the business done in a democratic manner so that each member may feel that they have been a part of the end result. My last meeting as Master of Discovery Lodge will be to confer the MM degree on Bro. Paul Harding, I need your help to do this. Please contact me and offer your assistance. Finally please note that the Emergent meeting will be the following Monday, April 24th.

Fraternally,  
Bill Rogers,
