DISCOVERY LODGE No. 149, A.F. & A.M.

Good day Brethren,

Spring break is here at last and, with that said, I leave today for a holiday in China. Wor. Bro. Wayne Phalen generously offered to sit in the East for the M.M. Degree on March 21st. Thank you to all the other Brothers who will ensure that this is a memorable evening for Bro. Tyson Hicks.

Last night I attended the Temple Board meeting at the Lodge Hall. I never cease to be amazed at all the work that goes on behind the scenes to ensure that our Lodge remains strong and viable. The Temple Board is charged with the task of maintaining the structural component of the Lodge building. As much as we love our Lodge building, it is an older structure in need of constant maintenance and repair. As always, money (or the lack of it) is always a concern. How do we fix that which is broken and what needs to be done to keep the building fresh and sustainable? Please join me in thanking these Brothers who work hard on our behalf.

Saturday, March 12th was the much anticipated "Education Day". Wor. Bro. Erickson put a lot of work into organizing this day and it was an excellent day of Masonic Education and friendship. A wonderful lunch was provided by Wor. Bro. George Maclagan.

On behalf of myself and the Officers of Discovery Lodge #149 we thank you for your continued support. Ours is a Great Lodge and something to be proud of.

Fraternally yours
Neil Lewis
Worshipful Master
