MASTER'S FORUM

Good Day Brethren

I hope this edition of our Lodge Digest finds you all in good health as I know the Flu bug has been active in the North Island and many of our Brethren and their families have felt its impact.

February was a busy month for our Lodge and Masonry in our District. In Discovery Lodge the Officers successfully conferred the Fellowcraft Degree upon Bro. Warner and then attended Hiram Lodge to confer the Entered Apprentice Degree the following week, a continuation of the long standing tradition between Hiram and Discovery Lodges of conferring a Degree in the other's Lodge. The Grand Master also made his official visit to our District in February, attending Concord Lodge, a meeting where all our District Lodges were well represented.

Travel plans, our various occupations and the recent seasonal illnesses have all had an impact on the attendance at our recent meetings and I am always amazed by the breadth of knowledge in our Lodge Room on any given evening and how effortlessly Brothers take up work and positions they may not have prepared for but fulfill so easily. I am very appreciative of that support and the extra help I have received in January and February.

I am looking forward to our emergent meeting in March in which

with the Irish Rovers. Tickets are available from the Northern Lights Degree Team, but they will be selling quickly so reserve yours early so as not to be disappointed.

Yours Fraternally
Wor.Bro. Doug Smith
Worshipful Master

many of our celebrated Past Masters will be conferring the Master Mason Degree and I hope many of you will be able to attend. I also want to acknowledge our local Shrine Club for the support and attendance at our February business meeting, it was great to see so many Shiners attending the Craft Lodge.

On April 13th, 2013 the Northern Lights Degree Team will be hosting their famous Pub Night at the Lodge. For this year's event our own Bro. John Reynolds will be the featured performer. Bro. John is well known to many from his local appearances and his work performing around the world
