

GAME

Tiny Hand Challenge

OVERVIEW

Using only a set of tiny hands, players will take turns putting a zippered sweatshirt on and off before passing it down the line to the next player. The first team to get each team member in and out of the sweater the fastest wins!

WHAT YOU'LL NEED

- An oversized, zippered sweatshirt for each small group (preferably an XXL or bigger to make the game easier and be inclusive of all body types)
- A pair of tiny hands (can be found on Amazon) for each small group
- All of your small groups
- Optional: A prize for each member of the winning team
- Optional: A music playlist and a way to play it for everyone

HOW-TO

PREP

- Create a playlist to serve as background music during the game.
- Organize one sweatshirt and one pair of tiny hands per small group.

PLAY

Divide your students into their small groups and give each group a sweatshirt and pair of tiny hands. Explain that when the music starts, the first member of each team will grab the tiny hands and use them to get the sweatshirt on and zipped up. (It doesn't matter if it's inside out or backwards; it just has to be fully on and zipped!) Then, using only the tiny hands, the student will remove the sweatshirt, passing both it and the pair of hands to the next team member in their group. The first small group to have each member put the sweatshirt on and take it back off wins!
